9 **Senate Management Resolution**  
10 **Rescind SM-F04-1 and SM-S97-8 Related to the**  
11 **University Teacher Education Committee**

12 Legislative History: This proposal rescinds SM-F04-1 which pertained to a change in  
13 the membership of the AUTEK committee, and rescinds SM-S97-8 which addressed the  
14 name and charge of the Teacher Education Committee.  
15

16

18 appropriately rescinded SM-S12-1 which established the  
19 University Teacher Education Committee but overlooked the need to  
20 rescind SM-F04-1 and SM-S97-8 which also pertained to this committee,  
21 therefore, be it  
22

23 **Resolved** That SM-S97-8 (AUTEK: All University Teacher Education Committee),  
24 and SM-F04-1 (Change in Membership of the All University Teacher  
25 Education (AUTEK) Committee) be rescinded.  
26  
27

28 **Rationale:** This corrects an oversight when SM-F15-1 was developed. Since SM-F15-1  
29 dissolved the University Teacher Education Committee, previously established senate  
30 management resolutions related to the University Teacher Education Committee need  
31 to be rescinded.
