8 **Senate Management Resolution**
9 **Amend SM-S04-2: Dissolving the Improvement of Instruction**
10 **Committee...**

11
12 Legislative History: This proposal modifies SM-S04-2 (which dissolved the
13 Improvement of Instruction Committee) by adding language to rescind SM-S00-2
14 regarding faculty membership on the Improvement of Instruction Committee, and
15 modifying existing language in SM-S04-2 in order to supersede language in SM-S98-1.
16

17
18 Whereas: SM-S04-2 dissolved the Improvement of Instruction Committee, and
19

20 Whereas: SM-S04-2 did not include language to rescind SM-S00-2 which modified
21 the faculty membership on the Improvement of Instruction Committee, and
22

23 Whereas: SM-S98-1 contains language that is superseded by SM-S04-2, therefore,
24 be it
25

26 Resolved: That the 1st resolved in SM-S04-2 be modified as follows
27

28 **RESOLVED**, That the Improvement of Instruction Committee be dissolved and
29 that the appropriate portion of its charge be transferred to the Student Success
30 Committee, and that the remaining portion of its charge be transferred to the
31 Instruction and Student Affairs Committee (superseding language in the last
32 resolved clause of SM-S98-1 pertaining to the charge of the Improvement of
33 Instruction Committee), and be it further
34

35 Resolved: That a final resolved clause be added to SM-S04-2 which states:
36

37 Resolved: That SM-S00-2 (Faculty Membership on Improvement of Instruction
38 Committee) be rescinded.
39

40
41 Rationale: This corrects an oversight when SM-S04-2 was developed. Since SM-S04-2
42 dissolved the Improvement of Instruction Committee, the previous senate management
43 resolution (SM-S00-2) related to membership on the Improvement of Instruction
44 Committee needs to be rescinded. This proposal also clarifies that language in SM-

45 S04-2 regarding the disposition of the charge of the Improvement of Instruction
46 Committee supersedes the language in SM-S98-1.
