14 impaction, and

15
16 Whereas: At that time the Chancellor's office mandated that all applicants meet all
17 CSU requirements to attend an impacted campus, therefore be it

18
19 Resolved That S88-7 (Conditional Admissions) be rescinded.
20
21

22 Rationale: In 2009, when the CSU declared impaction, SJSU implemented campus
23 level impaction. At that time the Chancellor's office mandated that all applicants meet all
24 CSU requirements to attend an impacted campus. This meant the Special (Exceptions)
25 Admissions Committee was disbanded.

26
27 Presently, the Undergraduate Admissions and Outreach office is guided by the
28 Chancellor's Executive Order 962 that allows admission exceptions under Title 5.

29
30 Annually, SJSU receives an allocation of exception codes to use for those students who
31 do not meet the requirements due to administrative error or general life circumstances.
32 All cases for exceptions are reviewed and authorized by the Director of Undergraduate
33 Admissions and Outreach.
