Lurie College Referral regarding University Policy S14-10

History/Description:

Instructions:

This referral seeks a resolution to the question about whether University Policy S14-10 (*Master's Committee Structure and Processes and Thesis Embargoes*) specifically intends to exclude highly qualified permanent (tenured or tenure track) faculty, who are currently in an MPP role, from serving as the chairperson of a Master's thesis committee (item IB).

Recently, this question arose for a Master's degree candidate. Your response has implications for appointing doctoral dissertation committee chairpersons.
