SUBJECT Policy for Review: S73-10 (Admission of Disqualified Students...)

REFERRED TO: Curriculum & Research

Time Constraints: Spring 2018 – Spring 2019

History/Description of this item:

In the course of O&G's review of senate policies during Fall 2017, we encountered S73-10, which sets guidelines for the admission of disqualified students to extension courses. During the review of S73-10 questions were raised about what types of courses fall under the umbrella term "extension courses," and whether the policy applies equally to undergraduate and graduate students. The latter is especially important in the light of S16-16.

Instructions:

As C&R sees fit, please review the relevant senate policy (S73-10) regarding guidelines for the admission of disqualified students to extension courses, and ensure that it aligns with current policies and practices, consulting S16-16 as well.
