SUBJECT Policy for Review: S74-8 KSJS Radio Station

REFERRED TO: Curriculum & Research

Time Constraints: Spring 2018 – Spring 2019

History/Description of this item:

In the course of O&G's review of senate policies during Fall 2017, we encountered S74-8, which continues the previous administrative structure for KSJS, then housed in the Department of Drama & Journalism; in addition, it recommends study for expansion of the radio station by the Communication Board.

Instructions:

Please review the current housing, funding, and administrative structure of KSJS and update or rescind, if either is necessary. Given that the university structures change frequently, this may not require any action. If C&R deems it worthwhile, you may also want to determine whether or not the Communication Board actually conducted a study and what, if any, impact that may have had or have on current KSJS administration.
