Ravisha,

The President has reviewed Amendment B to University Policy S13-9, Merging, Dividing, Transferring, Eliminating Academic Units S13-9. She is willing to sign the policy if the penultimate paragraph, starting "if any parties involved in the process..." is removed. Her rationale is that this paragraph moves the document from policy to implementation. Concerns should be handled through existing available channels and processes. If O&G and the Senate make this change and send it back to her, she is prepared to sign it.

If O&G and/or the Senate wish to discuss further, please talk with the Provost. President Papazian walked him through her thinking albeit prior to shelter-in-place and he may be able to assist with any final adjustments.

Best,
Lisa
