**Amendment A to University Policy S18-15
Alcohol and Drug Abuse Prevention Committee (ADAPC)**

Whereas: The language in S18-15 related to the determination of committee co-chairs mistakenly referenced administrators, and

Whereas: The Alcohol and Drug Abuse Prevention Committee has provided input on how to update this section of the policy, therefore be it

Resolved: That the last paragraph of section 2.1 in S18-15 be amended to read as follows:

From among the committee members, Co-chairs, one of which should be a representative from Academic Affairs and one of which should be a representative from Student Affairs, shall be appointed by the President in consultation with the Senate's Executive Committee.

Rationale: This corrects an oversight in S18-15 where co-chairs, appointed by the President, would include an administrator. However, the non-faculty committee members' positions are not MPPs, but rather directors/coordinators. Original language in S18-15:

The co-chairs (1 faculty; 1 administrator) shall be appointed by the President in consultation with the Senate's executive committee.
