Legislative History:

Document dated February 14, 1969.

At a special meeting of the Academic Council, February 12, 1969, the following proposal was adopted as policy recommendation as presented by the Executive Committee.

ACTION BY COLLEGE PRESIDENT:

"Approved." Signed: Robert D. Clark, February 21, 1969.

PROPOSAL ON MINORITY REPRESENTATION ON COLLEGE DECISION-MAKING BODIES

S 69-3

The several departments and schools, together with minority students and faculty, will develop policies to make possible the participation of minority students in decisions which affect them. Further, the departments with faculty members from minority groups will provide for representation of those faculty in departmental decisions involving minority students or curricula. Implementation of the above will commence this semester (Spring, 1969).
