II. Approval of Academic Senate Minutes–

The minutes of November 2, 2015 were approved as written (45-0-2).

III. Communications and Questions –

A. From the Chair of the Senate:

Chair Kimbarow welcomed Senators and announced that the Senate had acquired enough clickers to attempt to use them for test voting today. The Senate discussed the pros and cons of using the clickers and decided to vote with the clickers and by hand.

B. From the President of the University –

Interim President Martin announced there was a lively CSU Board meeting with hundreds of people that came to protest a variety of issues. The Presidential Compensation Resolution was a lively debate as well. Essentially, a resolution was enacted that limits any presidential salary increase to 10% above the current incumbent's salary. There are five presidential searches underway in the CSU at this time. Our search ends in January

2016 and several others end in March 2016.

Questions:

Q: Please try and ensure while you are here that we make room for debate for faculty, staff, and students so all are allowed to share what they need to share and voice their concerns.

A: The President will do her best and is open to suggestions.

IV. State of the University Announcements. Questions. In rotation.

A. Vice President for University Advancement –

Vice President Lanning has been working with a number of community groups, student groups, and the Tower Board on the divestment resolution. The Tower Board Executive Committee will consider it on Thursday of this week. The full Tower Board will then review it during its meeting on December 15, 2015.

Question:

Q: The donor report sent to various donors encourages them to donate to Athletics and says nothing about Academics. Why is this?

A: VP Lanning said he had not seen these reports and will check into this and report back to the Senate.

B. CSU Statewide Senators –

Senator Lee reported on the five resolutions passed by the CSU Statewide Senate at the last meeting. The first resolution was AS 3223 to suspend the background check policy and to study the effects of this policy. The second resolution was AS 3228 which asks to add a retired faculty member to the Board of Trustees. This is separate from the earlier request to add another faculty member to the Board of Trustees. Another resolution, AS 3229, was a resolution to support the Trustee's Budget Request from the state legislature. This resolution also asks that some of the additional revenue go to compensation for faculty at a rate higher than the current 2%. The fourth resolution was AS 3234. This resolution was support for transparent presidential searches that include campus visits for finalists. Twenty-two campuses now have resolutions that support this concept. The final resolution was AS 3235, this resolution expressed concern about the overall tone and phrasing of the Chancellor's response to AS 3230 that established the taskforce on requirements for General Education, Mathematics and Quantitative Reasoning credit. The Chancellor's response indicated that the CSU faculty voice was one among many. The resolution asks for a rephrase stating that the CSU Faculty voice should be the most important voice on matters of curriculum in the CSU.

There was activity on other matters coming in the future. One of the issues is support for the primacy of faculty on each campus in making articulation decisions and course transfer decisions. Another resolution will call for a taskforce to plan

for more robust tenure and tenure-track hiring. Although the current pace is stronger, it is not strong enough to grow the faculty in the CSU.

Senator Sabalius reported that the Chancellor made it very clear that the Board of Trustees will stick to the way the Presidential searches are conducted right now. Senator Van Selst clarified the Chancellor said if all of the presidential candidates agree to the campus visits then we can have it, but if one of the candidates does not agree then there will be no visits.

C. Provost –

Provost Feinstein announced that he did not have any updates today.

D. Vice President for Administration and Finance (VPAF) –

Interim Vice President Josee Larochelle announced that the Board of Trustees approved the 2016-2017 support budget on November 17, 2015. The support budget requests new state revenue totaling over \$240 million and expects new tuition money of nearly \$56 million for total new funding for the CSU of \$297.6 million. This exceeds the Governor's original funding plan for the CSU by almost \$140 million. Some of the highlights from the expenditure plan include 3% enrollment growth or \$110 million, \$50 million for student success initiatives, \$70 million for a 2% compensation pool, \$25 million for facilities and infrastructure needs, and another \$43 million for mandatory costs such as health benefits and pension requirements.

This year the state legislator approved the entire CSU support budget as submitted which was \$120 million over the Governor's budget. The revenues for the state are \$11 billion greater than anticipated for this year. It is likely there will be some cash to fully fund the CSU next year.

There will be a Governor's January budget, then the May revise, and finally a new budget approved by the legislature in advance of the June 30, 2016 deadline.

The 2016-2017 five-year Capital Plan was approved and includes the new Science replacement building. The project is currently in the planning stage, but is expected to receive CSU funding for preliminary planning starting 2016-2017, and construction funds in 2017-2018.

The state no longer funds capital infrastructure and buildings for the CSU. The CSU is responsible for maintaining and building new buildings. The Board of Trustees keep looking for more funding from the state and the \$25 million the CSU is getting is for infrastructure support.

E. Vice President for Student Affairs (VPSA) –

Vice President Blaylock announced that finals week resources for students flyer will be posted across campus. There is also a contest for students to submit pictures of themselves studying. There are also some study tips on the back of the

flyer. The flyer gives the location of resources for students during this stressful time such as Counseling Services. The Wellness Center will give massages for students as well. This will occur December 10-16, 2015.

There is a workshop this Friday called *Strategies for Addressing and Avoiding Classroom Behavior Management Issues*. It is primarily for new faculty, but is available for all faculty on how to address classroom behavior issues.

F. Associated Students President (AS):

AS President Amante announced that AS sent a letter of support to the student government association at the University of Missouri in light of their campus climate issues.

The CSSA had a meeting in Long Beach and discussed the proposed student tuition increases.

The Board of Trustees will be looking for a new student trustee this year. Last year SJSU had the most applicants of any CSU Campus for the student trustee seat. AS is hoping for the same response this year and maybe one of our students will be selected.

CSSA passed a resolution on open course evaluations. This resolution calls for transparency in course evaluations and would allow course evaluations to be open to students.

AS is also preparing their legislative agenda to push for full funding for the CSU.

AS recently passed a resolution on divestment from three American companies benefiting from the occupation in Palestine.

AS awarded \$83,000 in scholarships to students last Thursday. Two scholarships were awarded to Salzburg recipients.

V. Executive Committee Report –

A. Executive Committee Minutes –

Executive Committee Minutes of October 26, 2015 –

Questions:

Q: Regarding Item #5, when it talks about camera surveillance on campus it says there is a gap in surveillance. Does this mean the goal is to have camera surveillance all over campus? Is this on the outside or inside of the buildings? Finally, it says there is not centralized place for these cameras on campus why not?

A: They aren't really surveillance cameras. They are cameras that are stored for investigative purposes and there are a number of them on campus. Some are currently managed by departments and a preponderance are in housing areas. They meet all of UPD's needs. The long term vision is that they could be used during the time a crime is being reported. However, a mass notification system is

the priority right now.

Q: The ULB had a discussion about cameras in the MLK library. The lower level has been identified as a place where it is not safe and people tend not to use it. When we have asked about safety, we've been told that there are a number of cameras, but this isn't true. There is one camera trained on the door. It has not worked for quite awhile. Perhaps that issue could be resolved soon.

Executive Committee Minutes of November 9, 2015 –

Chair Kimbarow explained to the Senate that a Senate Management resolution was discussed in item #3 that dissolved the Heritage, Preservation, and Public History Committee. This Senate Management Resolution should have been a policy recommendation. The Heritage, Preservation, and Public History Committee was created by a University policy and should be disbanded by a policy. The Executive Committee voted to convert it to a policy on the Senate's behalf, since the Senate was not in session.

The Senate voted and AS 1585 was approved as amended (47-0-0).

Senator Shifflett presented *AS 1588, Policy Recommendation, Revision: Faculty Athletics Representative Policy (FAR) (First Reading)*.

Questions:

Q: Why is there a long list of duties for the FAR? Why is the Executive Committee involved in the reappointment process for the FAR?

A: These are the responsibilities of the FAR. If you look at the job description, they are included in the duties. The O&G Committee took those components along with the information in documents relating to the FAR from the NCAA and built out the responsibilities. As for the reappointment and involvement of the Executive Committee in the review, this draws in the input of the full Senate as well as the Executive Committee.

Q: I believe there is an unintended consequence of this policy to usurp Presidential authority. The FAR asked to come to the O&G Committee and give expert testimony, why didn't the committee take advantage of this offer?

A: The O&G Committee invited written input and this draft policy is the result of that input. This is a first reading and anyone can send their input to Senator Shifflett.

Q: I'm surprised by this policy. The FAR is the Senate's connection with data and a good academic environment for our students. When I read the policy I wondered about the emphasis in terms of the FAR's connection with students and academics and whether or not that is sufficiently emphasized. The other aspect that I wondered about is it appears there are some issues that talk about having opportunities available for faculty to become a FAR. I can understand that is something that might be very valued. However, given the complexity of the NCAA rules, do we actually need more continuity with respect to the FAR, and do term limits serve us well? Lastly, if we did want to have some mechanism for faculty to become more involved in this process might that particular need be better served by the Athletics Board? I'm concerned that the expertise and the learning curve needed might not serve us well.

A: With respect to emphasizing the language more, O&G will definitely take a look at this. There was no interest or motivation to scale that back by the O&G Committee. With respect to continuity, in the event there is a need for continuity there is a clause for the President to continue the appointment for continuity. The O&G Committee settled on what they thought would be an appropriate term and that was three years. Also included is the option for the president to extend that for a maximum of 2 years when deemed necessary. While many of the FARs are serving without term limits there is also a call for greater diversity in the FARs. One way to achieve this is by having term limits.

Q: The role of the FAR is to report to the President and keep the President informed through the eyes of a faculty member looking out for students in Athletics and making sure they are students first and athletes second and to balance that. In the NCAA rule book, operating principle 1.1 says the Chancellor or President must have clear and direct oversight over the Athletics program. While I understand the need for continuity, there is a benefit to having a new appointee with a fresh set of eyes on behalf of the President and the Faculty. I see benefit in turnover of this position. There are also several references to the Chief of Staff in the policy and this is the President's responsibility and it should say so. Would the committee please consider changing this?

A: O&G will consider this.

Q: How does this draft policy recommendation differ from the one you originally drafted in October?

A: I don't have the match-up to speak to exact changes, but there are some changes that reference the President instead of the Chief of Staff. There was a change that pulls out the language regarding continuity with respect to national service. There is a change that drops the term to three years with the possibility of an extension of up to two years.

Q: A list of duties does not belong in a policy. The list of duties should be in a letter of appointment. Would the committee consider removing this and putting in a letter of

appointment?

A: Either these are the responsibilities of the FAR or they are not. When we craft a policy about a committee, we list the responsibilities. These are the responsibilities of the FAR. Speaking for the committee, the list is there as a result of discussion about the responsibilities of the FAR just as the committee discussed the responsibilities of BOGS.

Q: Did the committee consider appointing two FARs and they could have staggered terms? This worked well at a previous institution I worked for.

A: No, Thank you for the information.

Q: The idea about having your criteria for review on line 218 of AS 1594 would be a compromise to the list of duties in this policy. Would the committee consider having that as a model for this policy?

A: The committee will discuss this.

Q: Is it the purview of SJSU in concert with the NCAA, or the NCAA to determine the responsibilities of the FAR?

A: It is delegated to the institution.

Q: Is this typically done through a policy and not a letter of appointment?

A: That I don't know. Many sources spoke to the need for policy around the FAR.

Q: On the issue of term limits, 88% of the FARs do not have term limits and 6.9 years is the average length of service for FARs, so what is the benefit to SJSU of limiting the term of the FAR?

A: There is a clear indication from many sources that there is a need for greater diversity in the FARs. If you have unlimited terms you are decreasing the opportunity for changing the diversity of the FARs.

Q: Is it possible to list the general policy expectations and then attach guidelines?

A: Thank you for the suggestion.

Q: Here is another concern in terms of diversity, there will be a new FAR in 31 days. The concern I have is that there is a lot of rule and compliance training and a great deal of trust building between the FAR, Athletics, the NCAA, etc. There is also a competency based on experience that needs to be spoken to. There is a learning curve necessary for the FAR. Also, if you want a FAR that can bring national recognition to SJSU for their national service, then you need someone that does not have term limits. I would suggest instead of term limits let the FAR serve at the pleasure of the President?

A: The committee will discuss this.

Q: First and foremost I think the FAR focus should be looking at our Athletics program from the perspective of a faculty member and looking at students first as students and then as athletes. If the incumbent also does things outside the university for NCAA that is nice, but primacy has to be with what is happening with athletics on our campus.

6. Deputy Provost Carl Kemnitz gave a presentation to the Executive Committee on Student Success. There are three main pillars and they include formal student success programs, infrastructure for Student Success from admission to graduation, and a student success environment. Forty-Two percent of SJSU students are in need of financial aid and the committee discussed whether our resources should be put into increasing financial aid. The VPSA just hired a financial aid person to market to students how to go about getting financial aid. In some cultures, it is considered shameful for students to take out student loans. Several members indicated it is often a "treasure hunt" trying to get assistance for our students.

More students drop out of SJSU in their second year than their first year. If a student makes it through their sophomore year they are more likely to graduate from SJSU.

The committee discussed infrastructure needs such as degree audits. Student admissions and programming have been a challenge. Transcripts also need to be evaluated as early as possible and prerequisites need to be enforced.

There are several reasons students are not graduating and they include budget dynamics and bottleneck classes. The committee discussed eliminating temporary college-based ceilings. Some classes may only have a few students in an evening class, but those students need that class to graduate and it is the only time they can take it. Colleges should be empowered to make this decision. The Provost explained this is up to the department whether to hold those classes or not.

Emails should be sent to Deputy Provost Kemnitz regarding what facets are being missed and what the highest priorities should be for student success.

7. Updates from the policy committee chairs and the CSU Statewide Senator:

a. From the CSU Statewide Senate:

The Chancellor recently responded negatively to four resolutions sent to him. The CSU Statewide Senate is focusing on what to do about one of the resolutions, the open presidential searches. There will be more action to come.

b. From the Curriculum and Research Committee (C&R):

C&R is working on the Internship and Service Learning referral and recently met with the deans and the College of Business faculty.

C&R is revising the minor policy. Art and Design had a 42 unit minor. The maximum units for a minor will be 24 units with 25% taken at SJSU. The minimum minor will be 12 units.

C&R is also working on referrals regarding the Certificate, Curricular Priorities, and RSCA policies.

c. From the Organization and Government Committee (O&G):

O&G has gathered information from the Academic Affairs Leadership Team (AALT) and the Student Affairs Leadership Team (SALT) on O&G's draft of the Strategic Planning Policy. In the spring O&G will prepare an updated draft, invite the new president to review it, then bring a final draft to the senate as soon as possible in spring.

d. From the Professional Standards Committee (PS):

The PS Committee received a referral from Chair Kimbarow to review the Faculty Office Hours policy in accordance with policy. A review was due in 2014 and was not conducted. PS will survey faculty and students to see how it is working. The current policy is also silent about advising.

8. Plenary meeting management:

a. Pre-meeting notice of speakers for the spring 2016 will be sent out along with any materials they will be presenting.

9. The meeting adjourned at 2:32 p.m.

These minutes were taken and transcribed by the Senate Administrator, Eva Joice, on December 7, 2015. The minutes were edited by Chair Kimbarow on December 16, 2015. The minutes were approved by the Executive Committee on January 25, 2016.

Executive Committee Meeting Minutes
ADM 167, Noon to 1:30 p.m.
January 25, 2016

Present: Kimbarow, Peter, Frazier, Shifflett, Kaufman, Backer, Larochelle,
Lee, Mathur, Blaylock, Heiden

Absent: Martin, Feinstein, Lanning, Amante

1. The Executive Committee minutes of December 7, 2015 were approved as amended (9-0-0).
2. The Consent Calendar of January 25, 2016 was approved as written (9-0-0).
3. Policy Committee Updates:

- a. Organization and Government Committee (O&G):
Items highlighted that O&G is currently working on were:

A referral regarding Technology Standards Policy Updates (Privacy of Electronic Information and Information Technology Responsible use Policies). O&G will send their work on to Professional Standards for final deliberations and subsequent presentation to the Senate.

A referral regarding the WASC Review Steering committee.

- b. Curriculum and Research Committee (C&R):
C&R has 10 pending referrals.

The most recent referral C&R received is on Research Scholarship and Creative Activity (RSCA) and asks for changes to the policy as required by the Chancellor's Office.

C&R also continues to work on the Internship in Service Learning referral and is evaluating practices at other campuses. The next step will involve meeting with critical stakeholders.

C&R has a referral on the Certificate Policy. Currently, the Provost will not sign off on any certificate that is granted through Open University. C&R is considering options for matriculated students.

- c. Professional Standards Committee (PS):
PS will be bringing an amendment to the Retention-Tenure-Promotion (RTP) Policy regarding the Dean equivalent for counseling faculty.

The Student Evaluation Review Board (SERB) has revised the SOTES. According to policy, only SERB can revise SOTES and SOLATES. The Senate may only vote up or down on the revisions.

The PS Committee has received several sets of RTP Guidelines. One set was particularly lengthy.

An issue has occurred with regard to the selection of an Electronic Dossier Vendor. The cheapest vendor is not the vendor with the most extensive tools. However, the initial call for quotes did not ask for bids based on the more extensive criteria. The Provost and AVP of Faculty Affairs have decided to reopen the bidding with more extensive criteria.

- d. Instruction and Student Affairs Committee (I&SA):
I&SA is working on the last draft of two policies regarding Student Rights and Responsibilities and Greensheet Modifications. These new policies will have language that specifies who controls the templates and will allow I&SA to review and modify them yearly.

I&SA is working on two taskforces related to honors and wait lists after the semester begins.

I&SA has also received a referral from Graduate and Undergraduate Programs (GUP) related to keeping repeaters from registering.

- 4. The committee discussed a confidential naming opportunity presented by Barry Shiller on behalf of VP Lanning and University Advancement.
- 5. Chair Kimbarow moved the following items to the agenda for the next meeting:
 - a. The 2016-2017 Senate Calendar
 - b. AB 798 CSU Initiative
 - c. The selection of Budget Advisory Committee (BAC) members
- 6. Chair Kimbarow informed the committee that the Chancellor will announce the selection of the new SJSU President on Wednesday, January 27, 2016 at 8:30 a.m.
- 7. The meeting adjourned at 1:35 p.m.

These minutes were taken and transcribed by the Senate Administrator, Eva Joice, on January 26, 2016. The minutes were edited by Chair Kimbarow on January 26, 2016. The minutes were approved by the Executive Committee on February 1, 2016.

8 **Policy Recommendation**
9 **Revision: Faculty Athletics Representative Policy**

10 Legislative History: Rescinds F05-2 which is our current policy regarding the Faculty
11 Athletics Representative.

12
13 Articles 4, 5 and 6 of the NCAA Constitution recognize the involvement of faculty
14 athletics representatives in the organization, legislative authority and legislative process
15 of the NCAA and the important role of faculty athletics representatives in the local
16 institutional control of intercollegiate athletics programs. Specifically, the NCAA Manual
17 indicates the following:

- 18
- 19 • Each member institution is required to appoint a faculty athletics representative.
20 [Constitution 6.1.3]
21
 - 22 • Qualifications of those who may serve as faculty athletics representatives are
23 described in Constitution 6.1.3: A member institution shall elect an individual to
24 serve as faculty athletics representative. An individual so designated after January
25 12, 1989, shall be a member of the institution's faculty or an administrator who holds
26 faculty rank and shall not hold an administrative or coaching position in the athletics
27 department. Duties of the faculty athletics representative shall be determined by the
28 member institution.
29
 - 30 • A faculty athletics representative is a member of an institution's faculty or
31 administrative staff who is designated by the institution's president or chancellor or
32 other appropriate entity to represent the institution and its faculty in the institution's
33 relationships with the NCAA and its conference(s), if any. [Constitution 4.02.2]
34
35

36 Whereas: The NCAA Constitution requires that all member institutions designate a
37 Faculty Athletics Representative (FAR), and
38

39 Whereas: The Coalition on Intercollegiate Athletics (COIA), in addressing the faculty
40 role in campus athletics governance, noted that 'faculty must engage their
41 academic perspective to help ensure that the institutional investment in
42 athletics remains in the interest of the primary academic mission of the
43 institution', and
44

45 Whereas: There is a need to clarify provisions in F05-2, therefore be it
46

47 Resolved: That F05-2 be replaced by this policy, and be it further

48

49 Resolved: That the attached policy be adopted and implemented as soon as it is
50 approved by the President, and be it further

51

52 Resolved: That the Senate Chair, the President, and Athletics Board Chair review
53 and update the FAR position description as needed at least once every
54 three years.

55

56 Rationale: Revisions are needed to clarify implementation language in the current
57 policy. For example, existing policy states that “The term of the office shall be three
58 years and may be renewed once with approval of the President in consultation with the
59 Academic Senate Executive Committee.” Although this seems to establish an explicit
60 term limit, the current policy also states that “Additional years of service may be added if
61 service on national committees result in a significant benefit to the University.” There is
62 a need to clarify the open-ended nature of this provision. Term limits provide the
63 opportunity for a greater diversity of faculty to serve in this capacity and performance
64 reviews provide a valuable check and balance to automatic reappointments and/or
65 inadequate reviews. This policy revision also seeks to provide more information, not
66 included in F05-2, with regard to the charge and responsibilities of the FAR.

67

68 Approved: 2/1/16

69 Vote: 8-0-0

70 Present: Mathur, Shifflett, Beyersdorf, Becker, Gleixner, Laker, Curry,
71 Grosvenor

72 Absent: El-Miaari

73 Financial Impact: None expected.

74 Workload Impact: No change from current situation.

75

76

77 **1. Faculty Athletics Representative Charge**

78

79 To ensure the academic integrity of the athletics program, to serve as an advocate for
80 student-athlete well-being, represent faculty perspectives on all aspects of our
81 intercollegiate athletics program, and to play a part in maintaining institutional control of
82 the athletics program. Particularly important components of this charge include
83 informing the athletics department of faculty concerns and conferring on
84 academic/athletic matters with administrators, faculty, students and/or alumni. The FAR
85 will also be actively engaged in the four domains identified in the NCCA FAR report:
86 academics, compliance/rules interpretation, student-athlete well-being, and
87 administrative responsibilities
88 (http://www.ncaa.org/sites/default/files/FAR_STUDY_Report_final.pdf; pg. 15).

89

90

91

92

93 **2. Faculty Athletics Representative Responsibilities**

94
95 2.1 Take an active role in assuring the academic integrity of the athletics program and
96 welfare of the student-athlete.

97 2.1.1 The FAR must avoid both the reality and appearance of any conflict of
98 interest, particularly in relationship to accepting perks or other fringe benefits from any
99 individual, group, or agency connected to intercollegiate athletics.

100
101 2.2 Review proposed competition schedules in order to monitor student-athlete time
102 demands and bring concerns to the Athletics Board.

103
104 2.3 Monitor the academic performance of student athletes and teams. Report results to
105 the President. Work cooperatively and constructively with coaches, faculty, and
106 students to assist student athletes in their academic pursuits.

107
108 2.4 Take an active role in assuring that appropriate academic services and university
109 resources are available to student athletes.

110
111 2.5 Provide advice to the President that reflects the 'values of the faculty and which is
112 rooted in the academic ethic of the institution' (NCAA FAR handbook).

113
114 2.6 Update the President on all matters and incidents involving compliance.

115
116 2.7 Work closely with the Athletic Director, the AVP for Student Academic Success
117 Services, and the Student-Athlete Success Services unit to review and evaluate the
118 academic and general support services for student athletes.

119
120 2.8 Work with the AVP for Student Academic Success Services, the Student-Athlete
121 Success Services unit, faculty, and coaches to facilitate nominations for all academic
122 awards and scholarships available through our athletic conference, the NCAA, and
123 other organizations.

124
125 2.9 Participate in student-athlete orientation meetings and exit interviews.

126
127 2.10 Assess, understand, and address faculty concerns regarding student athletes and
128 our Intercollegiate Athletics Program.

129
130 2.11 Assess, understand, and address student-athlete concerns regarding academic
131 issues.

132
133 2.12 Participate in the investigation and reporting of possible violations of Conference,
134 NCAA, and institutional policies and rules.

135
136 2.13 Facilitate adherence to eligibility requirements.

137
138 2.14 Meet with the Student-Athlete Advisory Committee at least once a semester.

139
140 2.15 Work cooperatively with and support the work of the Associate Athletic Director for
141 Compliance and contribute to the development of appeals, reports, and other
142 correspondence to our Conference and the NCAA as outlined in NCAA and Conference
143 Manuals. Faculty athletics representatives should play a central role in any major
144 institutional inquiries into alleged or suspected rules violations. They should be involved
145 in the preparation of written reports of infractions that are made to our conference or to
146 the NCAA.

147
148 2.16 Serve as an ex officio non-voting member of the University Athletics Board.

149
150 2.17 Represent SJSU as a delegate to NCAA Conventions and Conference meetings.
151 Work cooperatively with the President, Athletic Director, Associate Athletic Director for
152 Compliance, the faculty and others in developing the institution's position on proposals
153 at NCAA Conventions and Conference meetings.

154
155 2.18 Annually administer the NCAA Division 1 Coaches exam.

156
157 2.19 Annually review the institution's Graduation Rates Report and Academic Progress
158 Rates Report for each sport.

159
160 2.20 Prepare an annual report for the Academic Senate with information including, but
161 not limited to, FAR activities, academic performance statistics, including graduation
162 rates, for student-athletes, academic services for student-athletes, compliance/rules
163 concerns, and responses to faculty concerns related to our intercollegiate athletics
164 program.

165
166 2.21 Be a knowledgeable resource for the campus community with respect to NCAA
167 and conference rules.

168
169 2.22 Play an active role "in the preparation of the institution's NCAA self-study report in
170 each of the four basic areas, and play a leading role in the areas of academic integrity,
171 governance and commitment to rules compliance, and commitment to equity, which
172 includes student-athlete welfare." [FARA Handbook]

173
174 2.23 Work closely with the FAR-elect to prepare that person to effectively transition into
175 their FAR role.

176
177 2.24 Fulfill any additional duties assigned by the President.

178
179 **3. Recruitment and Appointment of the Faculty Athletics Representative**

180
181 3.1 The Senate Chair, Chair of the Athletics Board and the President are responsible
182 for establishing, regularly reviewing, and updating as needed, the position description
183 for the FAR.

184

185 3.2 The FAR will serve a 3-year term. In extraordinary circumstances the FAR could be
186 re-appointed for up to 2 years by the President. An example of a situation when an
187 extension might be appropriate would be where an NCAA investigation begins during
188 the FAR's last semester but extends into the following year. Recruitment of applicants
189 to serve as the Faculty Athletics Representative will be done through the President's
190 Office. All full time tenured faculty interested in the FAR position will be required to
191 submit a 1-page application detailing their experiences and qualifications to serve as
192 SJSU's FAR. All applications will be forwarded to the Executive Committee of the
193 Senate and the Athletics Board for review. In review of applicants considerations
194 should include (a) the candidate must be a tenured full professor, (b) the candidate
195 should have prior successful faculty leadership experience, unrelated to intercollegiate
196 athletics, (c) there should be no conflict of interest, and (d) the candidate should have
197 experiences and skills likely to enhance their effectiveness as SJSU's FAR.
198

199 Each group will forward its recommendations to the President who will arrange for the
200 individuals nominated to be interviewed by the Chair of the Academic Senate, Chair of
201 the Athletics Board, and the President. The President shall appoint a FAR following the
202 interview process.
203

204 3.2.1 Reappointment of a FAR. Reappointment should not be automatic.
205 Reappointment for up to 2 years would be appropriate in special cases where
206 continuity is needed.
207

208 3.2.1.1 Timeline for re-appointments: At the conclusion of the second
209 year of an initial 3-year term, the President would consult with the faculty
210 members of the Executive Committee of the Academic Senate and the
211 Athletics Board if considering the re-appointment of an incumbent FAR.
212

213 3.2.1.2 Review process. Following a decision to consider re-appointment
214 of a FAR, the Chief of Staff would initiate and complete a review of the
215 performance of the FAR in sufficient time to identify a FAR-elect if the
216 incumbent is not re-appointed. Review of the performance of the FAR
217 includes a review by the Athletics Board and faculty members of the
218 Executive Committee of the Academic Senate, and input from other
219 members of the Senate.
220

221 3.2.1.3 Reappointment. The president makes the final decision on re-
222 appointment.
223

224 3.2.2 Interim appointments. When a FAR will be unable to serve for just one
225 semester (e.g., sabbatical) an interim appointment can be made by the
226 President in consultation with the Executive Committee of the Academic Senate.
227 If a FAR will be unable to serve for a year or more, recruitment of a new FAR will
228 be needed.
229
230

231 **4. Recruitment and appointment of the FAR-elect.**

232

233 At the start of the last year of a FAR's term, the President's Office will put out a call for
234 applicants to serve as FAR-elect in the final semester of the FAR's term and
235 subsequently assume the FAR role. The selection and appointment process followed is
236 that noted above in section 3.2.

237

238 4.1 FAR-elect responsibilities. Confer and work with the outgoing FAR the semester
239 before assuming their role as FAR. To facilitate a smooth transition, efforts should be
240 directed toward gaining a solid understanding of and ability to assume their FAR
241 responsibilities.

242

243 4.2 FAR-elect term. A FAR-elect serves for one semester as FAR-elect followed by a 3-
244 year term as SJSU's FAR.

8 **Policy Recommendation:**
9 **Remote Attendance at Senate and Committee Meetings**

10 Legislative History: New By-law proposals and modification of existing By-law 4.2.
11

12 Whereas: Requests have been received from members of the Executive Committee
13 and members of policy and operating committees to participate in
14 meetings via teleconferencing, and
15

16 Whereas: Senate by-laws clearly establish expectations and standards for
17 attendance at Senate and committee meetings but is silent on whether
18 participating via teleconferencing or web-based conferencing fulfills the
19 attendance requirements, and
20

21 Whereas: Guidance is needed on the issue for members and committee chairs, and
22

23 Whereas: Viewpoints and needs associated with in-person requirements vary, but
24 equity, access, and participation are shared values, therefore be it
25

26 Resolved That additions be made to Senate by-laws to provide guidelines regarding
27 remote attendance at Senate and committee meetings as follows:
28

29 Modify by-law 4.2 to read: Any action taken by the Executive Committee requires the
30 presence of a quorum of the elected members. At the discretion of the Senate Chair
31 remote attendance may be permitted when appropriate and reliable resources are
32 available and the work of the committee will not be compromised.
33

34 Add by-law 6.14: Members of policy committees are expected to attend meetings in
35 person. At the discretion of the policy committee chair remote attendance may be
36 permitted when appropriate and reliable resources are available and the work of the
37 committee will not be compromised.
38

39 Add by-law 7.2; d: Members of special committees are expected to attend meetings in
40 person. At the discretion of the committee chair remote attendance may be permitted
41 when appropriate and reliable resources are available and the work of the committee
42 will not be compromised.
43

44 Add by-law 9.5: Any action taken by the Senate requires the presence of a quorum of
45 the elected members. At the discretion of the Senate chair remote attendance may be

46 permitted when appropriate and reliable resources are available and the work of the
47 Senate will not be compromised.

48
49 Add by-law 10.3; g: Members of special agencies are expected to attend meetings in
50 person. At the discretion of the chair remote attendance may be permitted when
51 appropriate and reliable resources are available and the work of the committee will not
52 be compromised.

53
54 Rationale: The option to attend meetings from a remote location is potentially beneficial
55 in terms of morale and equity (e.g., balance domestic and work obligations, commuting
56 distance). Given the expansion of technological tools that facilitate remote
57 communication some amount of flexibility should be available regarding meeting
58 attendance. However, at the same time, campus resources may not be robust or
59 reliable enough, depending on the location, to make remote attendance feasible. In
60 addition, the availability of technical support, or lack thereof, for committee chairs will
61 likely influence the viability of remote attendance. Of utmost importance is the quality of
62 the exchange of ideas and information among members thus in-person attendance
63 should be the norm while allowing for exceptions in cases where it is clear that the work
64 of the group will not be compromised.

8 **Sense of the Senate Resolution**
9 **Assessment of Core Competencies**

10 Whereas: Assessing each core competency identified and required by WASC at the
11 university level is needed, and

12
13 Whereas: SJSU needs to develop methods and procedures for assessing each of
14 the core competencies, and

15
16 Whereas: The assessment facilitators group has the experience necessary to
17 facilitate wide-ranging dialogues with faculty regarding methods,
18 procedures, and the infrastructure needed to develop and implement
19 strategies to evaluate core competencies, therefore be it

20
21 Resolved The senate recommends that the AVP for Graduate and Undergraduate
22 programs utilize the assessment facilitators group, under the leadership of
23 the Director of Assessment, to gather input on potential strategies to
24 assess core competencies from a wide range of campus groups (e.g.,
25 UCCD, BOGS, Associated Students), and be it further

26
27 Resolved That the senate urges the Director of Assessment to develop a proposal to
28 present to the Curriculum and Research Committee regarding plans for
29 the periodic assessment of the following core competencies: Information
30 Literacy, Written Communication, Oral Communication, Critical Thinking,
31 and Quantitative Reasoning.

32
33 Rationale: Wide ranging dialogue will be important so that all stakeholders have input
34 into the core competencies assessment process. The assessment facilitators have
35 direct connections to college faculty who have been focused on assessment of
36 department and university learning outcomes. If there are policy or senate
37 management implications that emerge, the Curriculum and Research Committee can
38 bring appropriate recommendations to the senate.

8 **Policy Recommendation**
9 **Update of Policy on Selection and Review of Administrators**

10 Legislative History: Rescinds F10-5 and S06-3. S06-3 superseded F98-2 related to the
11 Selection and Review of Administrators to provide a rearrangement of responsibilities
12 and a clearer definition of the scope of the policy in the context of a need for broader
13 participation of staff and community representatives. F10-5 modified S06-3 to clarify the
14 procedure for submitting faculty and staff nominations to serve on search and review
15 committees.

16

Selection and Review of Administrators

1. Academic Administrator and Vice President Searches and Appointments

1.1 Applicability

This policy applies to searches for and reviews of Management Personnel Plan (MPP) administrators who serve university-wide as vice presidents and those within the Academic Division including the Provost and all other associate vice president or equivalent positions such as Vice Provosts, and Associate Vice Presidents of Faculty Affairs, Graduate and Undergraduate Programs, International and Extended Studies, the college deans, and the Dean of the University Library. Where not otherwise specified, the words 'academic administrators' as used in this policy means all those listed in the Academic Division listed above.

1.2. Vacancies and Initiation of Procedures

As soon as practical after it is known that a vacancy has occurred or will occur in any of these positions, the President (for all vice presidents) or the Provost (for all other offices) shall cause a selection committee to be formed in accordance with these procedures.

1.3 Composition of Search Committees

Committees shall be large enough to allow for sufficiently broad representation, yet small enough so as not to be unwieldy. When feasible, an odd number of voting members will be appointed to eliminate the possibility of tied votes. Faculty, students, staff, and administrators shall be represented. Consideration should be given to breadth of representation, with respect to lower as well as upper faculty ranks, area of management responsibility, and with respect to gender and ethnicity. Regular (tenured and tenure-track) faculty shall comprise a majority on all search committees for administrators in the academic affairs division and at least one-third of other committees. If appropriate, alumni and community representatives may serve on search committees.

1.3.1 Special Procedures for Deans of Academic Colleges: The search committees for college deans shall be composed of ten members: three tenured faculty who are not department chairs, elected by and from the college faculty (but not more than one from any department); two department chairs from the college, elected by its department chairs; one staff member, elected by the staff of the college; one faculty member from another college, one student, one Dean (non voting), and one member of the community, each designated by the Provost.

Elections for the three faculty representatives from the college shall be arranged and conducted by ad hoc election committees comprised of all department chairs in that college. Each department in the college shall nominate one student from its majors, and

93 the Provost shall designate one student as a committee member from the departmental
94 nominees. The community member should have experience or expertise relevant to one
95 or more of the programs in the college.

96 **1.3.2 Special Procedures for the Dean of the University Library.** The search
97 committee shall include three faculty librarians selected by and from the faculty
98 librarians; two staff member, selected by the staff of the university library; two
99 departments chairs from outside the library, one student, one Dean (non voting), and
100 one member of the community, each designated by the Provost.

101
102 Recruitment of the two department chairs shall be arranged and conducted by the
103 Associate Vice Chair of the Senate through normal committee on committees
104 processes. Interested chairs will submit written statements reflecting their interest and
105 qualifications.

106
107 **1.3.3 Special Procedures for the Dean of International & Extended Studies (IES).**
108 The search committee shall include five faculty (inclusive of two department chairs); two
109 IES staff members, selected by the staff of IES; one Dean (non voting), one student,
110 and one member of the community, each designated by the Provost.

111
112 Recruitment of the faculty shall be arranged and conducted by the Associate Vice Chair
113 of the Senate through normal committee on committees processes. Interested faculty
114 will submit written statements reflecting their interest and qualifications.

115 116 **1.4 Recruitment and Selection of Committee Members**

117
118 **1.4.1 Recruitment.** Except as provided in 1.3.1, 1.3.2, and 1.3.3 above, an open
119 nomination process for potential members for search and review committees shall be
120 used. The Academic Senate shall publish notice of intention to appoint a search
121 committee and shall solicit written statements either in hard copy or electronically for
122 membership on the committee from the University community. Nominations (including
123 self nominations) must include a statement of interest and qualifications and include the
124 nominee's signed or electronic consent to serve by the published nomination deadline.

125
126 **1.4.2 Selection.** Except as provided in 1.3.1, 1.3.2, and 1.3.3 above, committee
127 members shall be selected from among those nominated by mutual consent of the
128 President and the Senate Executive Committee. If the President and the Executive
129 Committee cannot arrive at mutual agreement, the President (or Provost, if the search is
130 not for a vice president) shall confer with the chair of the Senate to attempt to arrive at a
131 mutually satisfactory course of action. Failing that, the President or Provost shall
132 appoint the membership. The President or Provost shall select the committee chair from
133 the committee membership.

134 135 **1.5. Scope and Procedures**

136
137 The President or Provost shall determine the scope and procedures of the search
138 process in consultation with the committee. The scope and procedures of the search,

139 the target date for the report, the funds and clerical assistance available, the minimum
140 requirements for candidates, the qualifications of the expected finalists, and other
141 matters relating to the selection process should be discussed. The scope of the search
142 shall always be as wide as feasible under the circumstances and shall be conducted in
143 accordance with the University's policies and procedures on equal opportunity and
144 diversity. Likely candidates must be interviewed. Provisions should be made for the
145 campus community to meet the candidates. The deliberations and recommendations of
146 the committee shall be confidential.

147

148 **1.6. Committee Recommendations**

149

150 At the conclusion of its search, the committee shall report to the President or Provost,
151 without ranking, the names of the best-qualified candidates. The President or Provost
152 shall meet with the committee to discuss its recommendations. Members of the
153 committee shall not take part in negotiations with a candidate unless requested to do so
154 by the President or Provost. The search committee's records shall be turned over to the
155 President or Provost with its report. Upon delivery of the committee's report to the
156 President or Provost all committee records shall be destroyed.

157

158 **1.7. Action by the President**

159

160 The President or Provost may appoint any person recommended by the committee. If
161 the President or Provost decides not to appoint, or is unable to appoint, any of the
162 recommended candidates, the President or Provost may ask the committee to extend
163 the search, or the President or Provost may consult with the Senate Executive
164 Committee regarding appointment of a new selection committee for a new search,
165 consistent with the provisions of this policy.

166

167 **1.8. Interim Appointments**

168

169 An interim appointment occurs when a position covered by this policy has or will be
170 vacated and there is insufficient time or it is otherwise impractical to complete the
171 normal search process explained above. The President or Provost, in consultation with
172 the elected members of the Senate Executive Committee, may make interim
173 appointments.

174

175 Alternatively, at the discretion of the President or Provost, the selection process for an
176 interim appointee may utilize a selection committee wherein the interim position is
177 announced campus-wide and interviews are held. While there is no requirement to
178 announce the position off-campus, such announcement is not prohibited. The search
179 committee must be no smaller than three people and will be selected by the President
180 or Provost in consultation with the elected members of the Senate Executive
181 Committee. Interim appointments usually are for a period of one year, unless a different
182 period is specified at the time of the appointment. An interim appointment may be
183 renewed or extended by the President or Provost as needed in consultation with the
184 elected members of the Senate Executive Committee.

1.9. Acting Appointments

The title “acting” (e.g., acting dean) shall be applied to an individual who is designated to act on behalf of an administrator covered by this policy, who is on a short-term absence (illness, vacation, etc.), on leave, or has left his/her position on extremely short notice. The President or designee in consultation with the elected members of the Senate Executive Committee may make an acting appointment. In an emergency, acting appointments may be made by the President or Provost (in consultation with the Chair of the Academic Senate if possible). Acting appointments usually are of short duration, lasting until either the incumbent returns or an interim appointment can be made according to the procedure described in this policy. In unusual circumstances, an acting appointment may be renewed or extended by the President or Provost in consultation with the elected members of the Senate Executive Committee.

2. Reviews of Administrators

2.1. Timing of Review.

If the incumbent wishes to continue in his or her position beyond the sixth year, a review of the incumbent shall be initiated according to the provisions of this policy in the second semester of the fifth year of an incumbent's term. The review shall be concluded by the beginning of the sixth year of the incumbent's term. The President may at any time initiate an interim review.

2.2. Appointment and Composition of Review Committee.

For all offices covered by this policy, a review committee shall be appointed and constituted in accordance with the procedures specified in Part 1, Sections 1.3 and 1.4 of this policy. The Provost shall not be eligible to serve on committees to review academic administrators.

2.3 Criteria for Review.

The review committee, in consultation with the President (for vice presidents) or the Provost (for all other offices), shall specify the criteria for evaluating the incumbent's job performance, based upon the incumbent's job description and the function of the particular administrative office. The incumbent shall be asked to examine the criteria developed and to make such comments or suggestions as may seem advisable.

2.4 Procedures for Review.

The review committee, in consultation with the President (for all Vice Presidents) or the Provost (for all other offices), shall develop procedures for conducting the review. The procedures shall be designed to secure appropriate information and appraisals of performance from as many persons as may be feasible who are knowledgeable of the

231 incumbent's performance. If he/she so desires, the incumbent shall be given an
232 opportunity to provide the review committee with a self- evaluation based upon the
233 criteria developed by the committee. The opinions and judgments received by review
234 committees, the deliberations and reports of such committees, and any accompanying
235 materials, shall be confidential.

236

237 **2.5. Report of the Review Committee.**

238

239 **2.5.1** The review committee shall consult with the President (for all vice presidents) or
240 the Provost (for all other offices) before drafting its report. Following that consultation,
241 and at the conclusion of its evaluative activities, the review committee shall prepare a
242 written report embodying findings and conclusions. The report of the review committee
243 shall include a statement of strengths found and improvements desired in the
244 incumbent's performance with respect to the evaluative criteria. All raw data collected
245 for review shall accompany, but not be part of, the review committee's report.

246

247 **2.5.2** The report shall normally contain a specific recommendation by the review
248 committee that the incumbent be reappointed or not be reappointed, with or without
249 qualification. A majority vote of the review committee shall be sufficient to approve the
250 report; the numerical vote shall be stated in the report. A minority report or reports shall
251 be appended if requested by any member of the committee. Minority reports shall be
252 seen by all members of a review committee.

253

254 **2.5.3** Before forwarding the report, the review committee shall:

255

- provide a draft copy of the proposed report to the incumbent
- provide the incumbent with an opportunity to meet with the review committee in
257 order to discuss the report
- provide the incumbent with the opportunity to submit to the committee a written
259 statement which shall become part of the report to the President

260

261 **2.5.4** The President (for all vice presidents) or the Provost (for all other offices) shall
262 again consult with the review committee to share his or her inclination and the reasons
263 therefore.

264

265 **2.6. Action of the President.**

266

267 Ultimate responsibility for the retention of administrators belongs solely to the President.
268 If, after discussion with the review committee, the incumbent, and other appropriate
269 sources of information, the President is inclined to believe a decision other than that
270 recommended by the committee would best serve the interests of the University, before
271 acting on that inclination the President shall:

272

- Consult with the Executive Committee of the Academic Senate, at which time both
273 the report of the review committee and the reasons why the President is inclined to a
274 decision other than that recommended would be revealed to and shared with the
275 Executive Committee. The purpose of such a meeting would be to ascertain if some

276 mutually agreeable course of action or decision can be found upon which the
277 President could act. Failing that, the President shall
278 • Make such decision as he or she considers best for the welfare of the University.

13
14 **Resolved:** That the following change be made to clarify who serves in place of a
15 college dean when counseling faculty undergo the RTP process, to
16 become effective at the same time as S15-7 becomes effective, with the
17 shown amendment edited into the public copies of S15-7.
18

19 **3.2.9.3** Regardless of the method chosen, the administrative head of the
20 academic unit (Dean of the Library, ~~Director of Counseling~~
21 Associate Vice President for Student Services) shall function as the
22 college Dean in the review process.
23

24 **Rationale:** The Director of Counseling has always served as the Chair equivalent,
25 and the AVP for Student Services has always served as the Dean
26 equivalent. This language unambiguously confirms the status quo.

7 **Minimum Criteria for Undergraduate Minors**
8

9 **Legislative History:** Rescinds S75-4
10

11 **Rationale:** Since S75-4 was approved in May 1975, there have been several changes
12 related to minors at SJSU. At one time, Title 5 required that 6 of the 12 required
13 minimum units be upper division. In addition, although the university has the basic rule
14 of 12 units of coursework distinct from coursework in one's major, there are no
15 additional guidelines that help in review of new minor curricula. Therefore, committees
16 that review these minors have very little guidance on how to review and provide
17 feedback to new minors.
18

19 **Resolved:** The following policy be adopted as the criteria for the minor.

20 **Resolved:** These criteria will apply to all minor programs by Fall 2018.
21

- 22 1. The minor needs to have a well-defined purpose and justification as well as a
23 coherent focus or survey of the field.
24
- 25 2. The minimum criterion for any minor must be 12 units of coursework completely
26 distinct and separate from the course work in one's major (i.e., Requirements of the
27 Major).
28
- 29 3. A minimum of 6 units of coursework must be upper-division.
30
- 31 4. The maximum number of units for any minor is 24 units of coursework.
32
- 33 5. Courses in preparation for the major may be included in the minor.
34
- 35 6. At least 25% of the units for the minor must be taken in residence at SJSU; a higher
36 percentage may be specified by the department.
37
- 38 7. The GPA for all coursework required for the minor must be at least 2.0.

8 **Policy Recommendation**
9 **WASC Accreditation Review Committee and Leadership**
10 **Steering Committee**

11 Legislative History: SS-S12-1 (WASC Review Steering Committee) endorsed a WASC
12 steering committee to serve through the accreditation cycle concluding in spring 2015.
13 This policy recommendation would formalize the establishment of a WASC accreditation
14 review committee and a leadership steering committee.

15 Whereas: [SS-S12-1](#) endorsed a WASC steering committee to serve through the
16 accreditation cycle concluding in spring 2015; and

17 Whereas: The previously endorsed WASC steering committee played a vital role in
18 our recent accreditation review, and

19 Whereas: WASC accreditation is a campus-wide responsibility, requiring broad
20 participation, that must be led by the faculty; and

21 Whereas: Faculty leadership for WASC accreditation should come from the
22 Academic Senate; therefore be it

23 Resolved: That the SJSU Academic Senate endorse the establishment of a special
24 agency (WASC Accreditation Review Committee) with the charge,
25 responsibilities, and composition outlined in the attached guidelines; and
26 be it further

27 Resolved: That following approval by the president, this policy be implemented and
28 an accreditation review committee established as soon as possible.

29
30 Background and Rationale: The institutional review process in recent years has evolved
31 in a way that calls for an extended period of engagement of the campus and reporting.
32 In the short term, the review committee is needed to develop special visit documentation
33 addressing issues of leadership stability, shared governance, and diversity by Fall 2016
34 and to prepare for the Spring 2017 WASC Special Visit. The special visit and mid-term
35 review are part of the next review cycle; thus, the senate resolution that established a
36 steering committee expired with the recent completion of the accreditation review last
37 spring and action is needed to establish a permanent body to remain engaged in re-
38 accreditation activities. In the longer term a WASC accreditation review committee will
39 be needed to meet interim WASC obligations including:

- 40
41
- Fall 2018 -Submission of routine mid-cycle review data to WSCUC

- 42 • Spring 2019- Mid-cycle review by Commission
- 43 • Summer 2021- Submission of Institutional Report (Self-Study)
- 44 • Fall 2021 - Offsite review by Accreditation Team

Financial Impact: Likely to include assigned time for the review committee chair; clerical and administrative support (e.g., for meetings, communication, preparation and distribution of materials); and costs associated with sending review committee members to relevant WASC training workshops and/or conferences.

Workload Impact: Increase in workload for members of the review committee and leadership steering committee related to meetings, preparation of WASC reports, and support for WASC team visits.

118 1.2.1 Recruitment and Appointment of Members

119
120 Each non-exoficio member serves an initial 3-year term with reappointment possible
121 throughout the current accreditation cycle. Recruitment of applicants to serve on the
122 Review Committee will be done through the normal Committee on Committees process
123 for the seats designated for an academic dean, chair, faculty at large members, and
124 staff members. For administrator-designated seats, the Senate will request from the
125 appropriate administrator their appointee. The faculty chair will be selected by the
126 Provost in consultation with the Senate Executive Committee and will serve for the
127 duration of the accreditation review period to provide continuity in leadership. When
128 there are multiple applications for other seats the Executive Committee of the Academic
129 Senate will select individuals to serve. In considering potential Review Committee
130 members, attention should focus on the person's prior experience with institutional
131 and/or program accreditation, assessment, program planning, related campus
132 leadership, and commitment to representing the diversity of the campus.

133 All applicants/nominees for positions other than those designated exofficio or those that
134 are administrative appointees shall submit a brief statement of interest which highlights
135 relevant skills and experiences.

136 1.2.2 Interim Appointments.

137
138 When a seat will be vacant for no more than 1 semester (e.g., sabbatical or leave of
139 absence) an interim appointment can be made following the guidelines in 1.2.1. Any
140 seat that will be vacant for a year or more will require a replacement for the remainder
141 of the term associated with that seat.
142

143 1.2.3 Replacing Members

144
145 If a member is absent from three regularly scheduled committee meetings in an
146 academic year, the chairs of the Review Committee may request that the Associate
147 Vice Chair of the Senate initiate action to recruit a replacement. If a member repeatedly
148 does not perform assigned committee duties, the chairs of the Review Committee may
149 request that the Associate Vice Chair of the Senate initiate action to recruit a
150 replacement.

151
152 **1.3 Responsibilities of the Accreditation Review Committee**

- 153
- 154 • Develop a campus preparation and implementation plan that responds to the
 - 155 directions given to the campus in previous WASC Commission letters and WASC
 - 156 accreditation review reports.
 - 157 • Oversee campus preparations to meet the requirements of WASC review
 - 158 committee site visits (including special visits).
 - 159 • Oversee campus preparations to meet the requirements of the Institutional
 - 160 Review process as specified by WASC.
 - 161 • Generate institutional reports and materials needed to meet WASC requirements
 - 162 and respond to questions from WASC regarding written reports.
 - 163 • Preparing the campus for WASC site visits.
 - 164 • Establish a leadership steering committee in accordance with the guidelines in
 - 165 section 2.0.
 - 166 • Create task forces as it deems appropriate.
 - 167 • Engage diverse voices in the reflection and analysis of information collected and

 - 169 • Participate in periodic meetings each semester to set meeting schedules, task
 - 170 force compositions and assignments, milestones, and related planning and
 - 171 preparation goals and processes.
 - 172 • Communicate to all campus constituents information regarding accreditation
 - 173 activities and priorities.
 - 174 • The Review Committee chair will annually prepare the summary report required
 - 175 of all special agencies and submit that report to the Senate.
 - 176 • Following each site visit, the Review Committee chair will prepare a report
 - 177 summarizing the feedback from the WASC review team and make the report
 - 178 widely available.

179 **2.0 Leadership Steering Committee**

180 A leadership team is needed to (a) provide guidance and direction to the larger review
181 committee, (b) to insure that steady progress is made toward established goals, and (c)
182 to insure that WASC-established deadlines are met.

183 **2.1 Charge:**

184 The Leadership Steering Committee will guide the timeline and work of the Review
185 Committee. This team will also be responsible for facilitating communication among the
186 various campus groups that will need to both receive and provide accreditation-related
187 information during an accreditation review period. These groups will include, but are not
188 limited to the Budget Advisory Committee, Strategic Planning Steering Committee, and
189 Academic Senate.

190 **2.2. Membership**

191 The membership of the Leadership Steering Committee shall be comprised of
192 representatives from the review committee and individuals in positions relevant to the
193 accreditation review process, including those who are in a position to implement
194 approved institutional changes and initiatives, and have knowledge of institutional
195 needs, resources, and history.

215 The Provost, in consultation with the Executive Committee, appoints members. Review
216 committee members serving on the leadership team have the same appointment terms
217 as that associated with their review committee membership and can be reappointed to
218 serve throughout the current accreditation cycle. Administrative appointees shall serve
219 for the duration of the accreditation review period.

220

221 2.2.2 Interim Appointments.

222 When a seat will be vacant for no more than 1 semester (e.g., sabbatical or leave of
223 absence) an interim appointment can be made following the guidelines in 1.2.1. Any
224 seat that will be vacant for a year or more will require a replacement for the remainder
225 of the term associated with that seat.

226

227 2.2.3 Replacing Members

228 If a member is absent from three regularly scheduled committee meetings in an
229 academic year, the chair of the Review Committee may request that the Associate Vice
230 Chair of the Senate initiate action to recruit a replacement. If a member repeatedly
231 does not perform assigned committee duties, the chair of the Review Committee may
232 request that the Associate Vice Chair of the Senate initiate action to recruit a
233 replacement.

8 **Policy Recommendation:**
9 **Committee Obligations & Senate Membership**

10 Legislative History: New By-law proposals and modification of existing By-laws
11 1.61 and 1.6.2.a.

12
13 Whereas: The full engagement of senators in committee assignments is
14 inextricably linked to their participation on the senate, and
15

16 Whereas: Senate by-laws clearly establish expectations and standards for
17 attendance, and
18

19 Whereas: The primary responsibilities of the senate have been and remain
20 the development of policy recommendations which requires the
21 participation of senators on assigned committees, and
22

23 Whereas: Clarification regarding the connection between committee
24 responsibilities and senate service is needed, therefore be it
25

26 Resolved: That Senate bylaws 1.6.1 and 1.6.2.a be modified as follows
27

28 1.6.1 If a senator will be unable to perform his/her duties as senator
29 (including attendance at assigned committee meetings) for one semester or
30 less, a temporary replacement will be selected in accordance with the
31 following procedures:
32

- 33 1.6.2; a) Vacancies are created by
34 1) resignation or recall from the Senate,
35 2) termination of employment,
36 3) repeated failure to attend Senate meetings as determined by the
37 Executive Committee.
38 4) repeated failure to attend assigned committee meetings or perform
39 assigned committee duties as determined by the Executive Committee.
40 5) leave, with or without pay, which covers more than one semester, or
41 6) appointment to a full-time administrative (Management Personnel Plan)
42 position.
43 7) assumption of the role of Academic Senate Chair

Resolved: that additions to Senate bylaw 6.1.2 (section b) and 6.1.3 (section c) be made as follows:

6.12 a) If a member of an Academic Senate committee cannot complete the term for any reason, or is absent from three regularly scheduled committee meetings, the chair of the committee may request the Committee on Committees (if an operating committee) or the Executive Committee (if a policy committee) to nominate a replacement.

b) In accordance with bylaw 1.6.2 removal of a senator from their assigned committee will result in removal from the Senate.

6.13 a) Notwithstanding the provisions of bylaw 6.10.1, college seats on both policy and operating committees for which no faculty from that college willing to serve have been found and which remain vacant after the fourth week of instruction in the fall semester shall become faculty-at-large seats for the balance of the academic year.

b) If a member of an Academic Senate committee repeatedly does not perform assigned committee duties, the chair or any member of the committee may ask the committee to request, by vote, the Committee on Committees (if an operating committee) or the Executive Committee (if a policy committee) to nominate a replacement.

c) In accordance with bylaw 1.6.2 removal of a senator from their assigned committee will result in removal from the Senate.

Rationale: Upon election to the senate, each senator is assigned to a policy committee. In fact, by senate bylaws (6.10) the senate seeks to make appointments so that at least half of the members are members of the Senate. Without the full participation of senators on senate-assigned committees, the senate cannot effectively fulfill its primary responsibility which is the consideration and development of policy recommendations. Senators not meeting their committee obligations are neglecting their Senate responsibilities and replacement of a senator in such circumstances is in the best interests of the Senate.

7 **Policy Recommendation**
8 **Expansion of Bylaw 15 – Updating Senate Documents**
9

10 Legislative History: Modification of Bylaw 15b to expand the scope of the Chair's
11 authorization to update existing documents with editorial changes.
12

13 Whereas: Bylaw 15b currently allows the Senate Chair to authorize specific editorial
14 changes in Senate documents, and
15

16 Whereas: The examples of editorial changes that can be made are currently limited
17 to whenever there is a change in the number, title, or designation of a law,
18 regulation, executive order, or Senate document, and
19

20 Whereas: Expanding the language of Bylaw 15 to allow the Senate Chair to make
21 editorial changes to a Senate document whenever there is an outdated
22 reference to a law, regulation, executive order or Senate document, may
23 improve the efficiency of a full Senate meeting, therefore be it
24

25 Resolved: That the language of Bylaw 15(b) be changed to include a wider range of
26 circumstances for editorial changes, and be it further
27

28 Resolved: That this change become effective with the passage of this Senate
29 Management Resolution.
30

31 Rationale: Presently under Bylaw 15 the Senate Chair can approve changes to existing
32 Senate documents (policies, constitution, by-laws, resolutions) with regard to a) title of a
33 university official or of an agency or unit of the university, or b) numbers, titles or
34 abbreviations relating to a law, regulation, executive order, or Senate document.
35 Recent experience has been that there are additional editorial oversights (e.g.,
36 rescinding outdated policies) that might be more effectively handled by the Senate Chair
37 rather than bringing them through the full Academic Senate. This resolution would still
38 require that such editorial changes be reported to the Senate, and remain limited to
39 circumstances when no other change affecting university policy is involved, but expand
40 the language to any outdated/obsolete reference to a law, regulation, executive order,
41 policy, or Senate document in an existing Senate document.

45 Present: Laker, Shifflett, Beyersdorf, Becker, Gleixner, Curry, Grosvenor,
46 Mathur

47 Absent: El-Miaari
48 Financial Impact: None
49 Workload Impact: Reduced workload for the senate with regard to handling
50 essentially technical or routine changes rather than substantive
51 changes.

52

53 Expansion of Bylaw 15. Editorial Changes - Senate Documents

54

55 a) When the title of a university official or of an agency or unit of the university
56 appearing in Academic Senate documents (including the constitution, bylaws,
57 university policies, and resolutions providing for committee membership) is
58 changed, but the functions and responsibilities of the office or agency remain
59 the same, the Senate Chair may approve replacement in the Senate
60 documents of the old title or designation by the new one, as an editorial
61 change. Such changes shall be reported to the Senate.

62

63 b) When a law, regulation, executive order, **policy**, or Senate document is referred to in
64 a Senate document by number, title or other official abbreviated designation,
65 and the number, title or designation is changed **or rescinded** by competent authority,
66 but no other change affecting university policy is involved, the Senate Chair may
67 authorize replacement **or removal** of the old number, title or designation by the new
68 one, as an editorial change. Such changes shall be reported to the Senate.
