

SM-F88-2

At its meeting of November 21, 1988, the Academic Senate approved the following Senate Management Resolution presented by Cecilia Mullen for the Organization and Government Committee.

Resolved,

1. That the name of the Student Opinion Poll Committee be changed to Campus Opinion Poll Committee.

2. That the Committee's charge be changed from:

Institutes and maintains an on-going poll of both factual information and student opinion; responsible for deciding areas in which information is to be gathered, for soliciting technical guidance, for designing and administering questionnaires, for reviewing the results obtained, and for making decisions regarding the most effective means of communicating the results to the academic community; and explores sources of support for such a poll. (AS Handbook, p 30)

to:

On request of the Senate, designs questionnaires and surveys and administers them (or surveys designed by others as designated by the Senate) to determine opinion on specified issues of the campus community, or students, faculty, or other segments thereof.
