Academic Senate

ATSS (8) 522-2471

SM-S84-4

At its meeting of May 7, 1984, the Academic Senate approved the following Senate Management Recommendation presented by Robert Spicher for the Organization and Government Committee.

## CAMPUS LANDSCAPE AND ECOLOGY COMMITTEE

WHEREAS The University in its scientific and social missions should demonstrate concern for the educational value and beauty of the campus; therefore be it

RESOLVED That a University Landscape and Ecology Committee be established as an operating committee reporting to the Financial and Student Affairs Committee with the following responsibilities:

1. to recommend plans to enhance and maintain the plant and animal life of the campus with emphasis on both the aesthetics and the instructional value of the campus plantings;
2. to review and make recommendations on all proposed plantings and landscape design on campus;
3. to monitor use of pesticides and herbicides on campus;
4. to educate all members of the campus community about the campus landscape;
5. to consult with the Campus Planning Committee as needed; and be it further

RESOLVED That the membership of the Landscape and Ecology Committee will be the following:

Two Faculty from the Biological Sciences Department  
Two Faculty at Large  
One Student  
Director of Plant Operations  
Grounds Superintendent  
One Member of the Grounds Crew  
AEVP/Facilities Development and Operation or Designee (ex officio)
