

SM-S94-2

At its meeting of February 28, 1994, the Academic Senate approved the following Senate Management Resolution presented by Cecilia Mullen for the Organization and Government Committee.

PRESIDENTIAL SELECTION PROCESS

Whereas, Organization and Government Committee has reviewed the current policy governing the selection process for membership on the Advisory Committee to the Trustees Committee for the Selection of the President (San José State University document entitled "Presidential Selection Advisory Committee," F90-6), and

Whereas, Organization and Government does not support the automatic ratification of F90-6; therefore, be it

Resolved, That the Senate approve the following recommendations:

1. Invite campus participation in recommending the process by which the three faculty representatives on the Advisory Committee to the Trustees Committee for the Selection of the President will be selected. Instructions will specify that comments must be made in writing to the Academic Senate Office.
2. Query the other CSU campuses to determine the policies which they have in place for selection of faculty representatives to the Advisory Committee to the Trustees Committee for the Selection of the President.
