At its meeting of April 19, 1982, the SJSU Academic Senate passed the following Sense of the Senate Resolution presented by Senators Ted Norton and Roy Young.

USE OF INSTRUCTIONAL FUNDS FOR INTERCOLLAGIATE ATHELTICS

- Resolved
1. That the amount of state instructional funds presently committed to intercollegiate athletics is disproportionate and excessive as compared with the amounts used for other kinds of classes and instructional activities enrolling more students and of higher curricular priority;
 2. That there should be no increase over current levels in the amount of state instructional funds used for intercollegiate athletics;
 3. That serious efforts should be made, over time and without interference with existing contracts and schedules, to reduce the use of state instructional funds for intercollegiate athletics.
