Elected by the faculty of their respective College or Unit for staggered terms of four years.

Traffic, Transit, and Parking Advisory Committee - (Presidential Directive 2007-05) Serves to advise directly, the University Police Department and, indirectly (through the Vice President of Administration and Finance) the President and the President's staff, about policies, processes, and practices regarding parking, traffic and transit at SJSU. The committee's purpose is to be an important conduit of information to and from UPD (including the Office of Traffic and Parking Operations) and the campus community. It provides a venue for open dialogue regarding current and planned operations, possible solutions and suggestions, as well as discussion of problems and concerns, from all campus constituents. It should devise methods for keeping the campus community informed of its activities.

The goal of the committee is to assist the University in continuously improving parking, traffic, and transit conditions on and around campus to facilitate communication between all concerned parties. The committee will advise on plans and policies concerning parking, traffic and transit. It is not authorized to formulate policy, nor shall it be a review board for individual cases. However, open discussion and communication in this sensitive area is in the best interest of the entire

university. This committee should be as representative as possible of the many affected segments of our community, and also may wish to set up various mechanisms for receiving suggestions and comments from others, including open hearings, as appropriate.

however, the committee may choose to open all or part of the meetings to invited guests.

University Library Board – The University Library Board advises and assists the dean of the University Library on matters concerning the academic role of the library. The board serves as liaison between faculty and students and the Library administration, faculty, and staff; examines the relationships between the Library and the general faculty, the various colleges and the programs of the University, for the purpose of recommending improvements in Library services and policy, as well as the stature of the Library. The board recommends ways of assuring the stewardship of the library's various collections of materials in all formats. The board recommends ways of assuring that the library provide an atmosphere appropriate to quiet study and research, collaboration, student academic success, and thoughtful reading. The board widely consults representatives from all groups and disciplines who use the library's resources for curriculum and research, so as to advise the dean of the University Library on campus needs for the Library's collections and academic services, and receives periodic reports on the library's progress and expenditures toward meeting those needs. Receives reports from the library dean regarding any issues raised at the King Library Management Team meetings that affect the management of the King Library. The University Library Board may, in cooperation with the library, co-sponsor events within the library that bring members of the university community together with other citizens of the region for discourse on subjects of common scholarly and literary interest. The board conducts periodic reviews of this policy and makes recommendations to the Academic Senate for appropriate revisions.

The University Library Board shall meet regularly according to the same schedule as Senate Policy Committees.

Relationship of the University Library Board to Internal Library Governance:

Nothing in this policy should be construed to limit the University Library Dean's prerogative to solicit advice from any or all library faculty and staff, or to organize the internal advisory capacity of the Library in any manner suitable to the Library, e.g., use of the University Library Leadership Team.

Nothing in this policy should be construed to limit the Dean or the Library faculty and staff from constructing internal Library policies on the details of Library operations as appropriate, provided such policies are consistent with University Policy.

On matters related to the academic role of the Library, the Dean of the University Library should consult with library faculty and staff, with the University Library Board, and, as needed, with the university community, so as to ensure that multiple views and perspectives are considered in decision making.

University Sustainability Board –Working in conjunction with the University Director of Sustainability, the Board functions as a university committee of the Academic Senate and advises and makes recommendations to the Academic Senate and the President in the following areas: setting and measuring progress towards meeting University-wide goals to promote sustainability across academic and non-academic divisions; and benchmarking SJSU sustainability efforts relative to state and national leaders in university sustainability. The Board serves as an advisory resource to academic departments on sustainability-related curriculum.

The Board also works with appropriate units in the university as a resource for centralizing and effectively communicating information to the campus on SJSU's sustainability efforts; integrating sustainability into key planning documents and procedures; and educating and engaging with campus stakeholders on sustainability through research, projects, workshops, and other events.
