

I am honored to run for Associate Vice Chair of the Senate. I look forward to the opportunity to continue to serve the Senate and the university in this position. My experiences in the Senate, as chair of ISA, and at SJSU have provided a strong foundation on which I can effectively manage the duties afforded to the AVC. Recently, I have focused on developing administrative and leadership skills in the last few years by participating in the Deans' Leadership Academy and the Academic Affairs Leadership Discovery Group, as well as taking on new challenges, including being the Project Director for a Department of Education grant, chairing the Civil and Environmental Engineering Department, and serving as an Associate Editor for the Journal of Performance of Constructed Facilities.

Thank you for your consideration,
Laura Sullivan-Green
