**III. Communications and Questions –**

**A. From the Chair of the Senate:**

Announcements from the Chair:

Chair Heiden informed any Senators appointed to the 2015-2016 Senate that were visiting that they could not vote during this meeting.

Chair Heiden informed the Senate that even though the community colleges have received notification from the CSU that at least 30 days are needed to review any proposed 4-year degrees, they recently sent yet another proposal with only a 1 ½ day turnaround. As a result, the CSU Statewide Senate sent a reply that it would be impossible to review the proposal in only 1 ½ days

and would refrain from trying to do so. The Chancellor sent a request for a 30 day review period to the community colleges, but has not received a response. The CSU Statewide Senate is going to draft a resolution, and the CSU chairs plan to write a letter to the community colleges endorsing that resolution, that calls for more consultation and respect for the process.

Chair Heiden presented certificates of service to departing Senators.

Chair Heiden will be sending out a call for nominations for a CSU Statewide Senate seat with a two year term ending 2017 today. There is also a call for nominations for a Senator from the College of Humanities and the Arts. Both the CSU Statewide Senate and the Humanities and the Arts petitions have deadlines to be submitted to the Senate Office by May 18, 2015.

Vice Chair Kimbarow presented a plaque from the Senate thanking Chair Heiden for her service as Senate Chair from 2013-2015. Chair Heiden thanked all Senators for their service to the Senate and for their support during her term as Senate Chair.

**B. From the President of the University – Not Present.**

**IV. State of the University Announcements –**

**A. Vice President for Student Affairs –**

Interim Vice President Terry announced this was her last Senate meeting as the Interim VP of Student Affairs.

There will be 5,225 students graduating this spring. Of these 5,225 students, 3,611 are undergraduates and 1,614 are graduate students. In August 2015, 480 additional students will graduate. Of these 480 students, 337 are undergraduates and 143 are graduate students. By Fall of 2015, a total of 5,705 students will have graduated.

**B. Associated Students President –**

AS President Miller announced that AS had narrowed their search for a new Executive Director down to two finalists. They have made a recommendation to their board.

Looloo Amante will be the new AS President for 2015-2016. Josh Romero will be the new Vice President.

There is a faculty vacancy on the AS Personnel Committee. Senators should email the AS President if they are interested.

AS hosted their first annual Spartan Showcase last week and it was big success.

AS President Miller thanked the Senate for their support and said he had learned a lot.

**C. Vice President for University Advancement – None**

**D. CSU Statewide Senators –**

SJSU and the CSU Statewide Senate passed resolutions calling on the Board of Trustees to draft a new Academic Freedom policy. As of today, 15 CSU campuses have passed similar resolutions.

There has been discussion about a 24<sup>th</sup> CSU campus that might go to Stockton.

Cal Poly SLO Statewide Senators wrote the CSU Statewide Senate about their concern over a move by administrators to replace the department chair with a department head. This will be discussed again this week. The understanding is that department heads are hired and appointed by the administration and serve for indefinite terms.

**E. Provost –**

Provost Feinstein announced that he thought the April 27, 2015 Senate meeting was “one of the finest displays of shared governance I have had the pleasure to participate in.”

There was some concern at the last meeting over administrator retreat rights and the financial impact on a department. Provost Feinstein and Senator Peter have done some work in this area and have come up with a preliminary plan that has now been implemented.

When an external candidate appointed to an MPP position with retreat rights retreats, the division of Academic Affairs will provide funds for the administrator to the college upon retreat at the academic year rate. When the faculty member fully retires or terminates, the salary dollars will be returned to the division. Academic Planning & Budgets will track these positions and maintain responsibility for calling back funds when the position is vacated. The division will maintain a prudent reserve to cover administrators with retreat rights. The reserve will be based on past retreat history and may be adjusted from year to year as events warrant.

**F. Vice President for Finance and Administration –**

The 2015-2016 budget has been planned for. A budget forum was held a few weeks ago and can be viewed on the budget central website.

The SSETF has been set for next year. This information is posted on the Finance website. A call for proposals has been sent out campus-wide.

Either this week or next week, the Administration and Finance Division will launch a new transparency tool on the web at [opengov.com](http://opengov.com). Everyone can access the information on this site.

Question: Do we have any guarantee that the promised equity payments will be made in 2015-2016?

Answer: Provost Feinstein responded that the money was “not going anywhere.”

VP Larochelle responded that it is planned in the budget process to remove that money first from the budget for each of the next three years.
