Dear Ravisha,

I am writing on behalf of President Papazian to communicate her request that the Senate engage in additional discussion about the following amendments:

- Amendment B to F10-2 - Adding General Unit Seat to SERB
- Amendment B to S14-3 - Adding General Unit Seat to SFC
- Amendment B to S15-10 - Adding General Unit Seat to University Library Board
- Amendment A to S19-3 - Adding General Unit Seat to University Writing Committee

The President has concluded that these policies make an assumption about representation and RTP of the departments within the College of Professional and Global Education. She requests that the Senate recommend the proper RTP pathway for faculty in these departments before articulating the issue of representation on committees.

If you have additional questions, I encourage you to discuss them with Provost Del Casino.

Best,
Lisa
