Dear Ravisha,

I am writing on behalf of President Papazian to refer back to the Senate the proposed Amendment B to S16-8 - Selection and Review of Administrators. She requests that the amendment remove the explicit listing of the Senior Director of Faculty Affairs and the Associate Vice President of the Office of Research.

Under the new SJSU organizational structure, this position is in the Research & Innovation Division and is no longer in the Academic Affairs Division. Additionally, the recruitment process for this position should be handled the same way as we will for the future administrative leadership roles in the Research & Innovation Division.

In the President's view, the formation of administrative search committees outside of Academic Affairs should be handled in a similar fashion. This also allows for simplicity and consistency.

Please let me know if you have any questions.

Best,  
Lisa
