Items of Business Completed 2014/2015

1. Six (6) meetings of the full committee are always scheduled in advance of the AY, three in Fall and three in Spring. The Sep, Oct, Dec, & Mar meetings were cancelled. We did meet in Feb & Apr to review Departmental Guidelines for Probation & DQ and approved Justice Studies (JS) Guidelines at the latter meeting.
2. Additionally, appeals panels are formed when needed. In the past, there have been many appeals every year (nearly all following a DQ from the major or an ADRRC refusal to permit a change of major or to complete a minor), but this year saw only one appeal during the past AY (in June).

Unfinished Business Items from 2014/2015

1. The ADRRC Guidelines for Probation & DQ in the Major (http://www.sjsu.edu/ugs/UGS_Resources/ADRRC/index.html) are geared more toward undergraduate degree programs than grad programs. We need to articulate differences that exist.
2. These Guidelines have been in place for several years now and ought to be elevated to status of campus policy (referral to Senate once Grad level is sorted out).

New Business Items for 2015/2016

1. Continue to work with depts. On implementing local departmental Probation & DQ Policies complying with the Guidelines
2. Handle individual student appeals as needed
