Answers to Graphic Organizer A

Teacher can choose to “scramble” the answers for students (one level) or let the students fill in the blanks (higher level). Teacher can choose to leave out the herbivore, carnivore, omnivore.

Turtles:

1-water

2-feet

3-basking

4. flat, oval (good for swimming)

5-plants, animals, omnivores (or herbivores and carnivores)

Tortoises:

1-land

2-feet

3-domed

4-plants, herbivores
