

## Observing A Schneider's Skink – Answer Key

Circle which part of the Schneider's Skink your group is observing: **legs and feet, tail, mouth and tongue, or body and scales**. Describe and draw that part in the boxes below. Please provide at least 3 descriptions and 1 drawing.

| Descriptions  | Drawing  |
|---|--|
| <p>Ex: Long legs</p> <p>(Examples of possible answers)</p> <ul style="list-style-type: none"> <li>• Short legs</li> <li>• Have clawed fingers</li> <li>• Legs are spread apart on the body</li> <br/> <li>• Large mouth for a small head</li> <li>• Forked tongue</li> <li>• Uses tongue frequently</li> <br/> <li>• Shiny scales</li> <li>• Tubular in shape</li> <li>• Long body</li> <br/> <li>• Long tail</li> <li>• Moves around with body</li> <li>• Similar color to rest of the body</li> </ul> | <p>Ex:</p>  |
