IMPORTANT ANNOUNCEMENT - RE: COVID-19
IMPACT ON BASW PROGRAM SCHEDULE

Dear Students,

Welcome to the BASW program at SJSU. We are excited to have you in the program! Please read this page carefully and completely.

Given the current uncertainty of COVID-19 conditions in the Fall, the California State University (CSU) system has mandated that almost all classes (with a few exceptions) will be offered online in Fall 2020. SJSU will also comply with this mandate.

In the best interest of our students’ health, safety, and learning experience, the School of Social Work has decided to make one important change to the BASW class schedule for INCOMING JUNIORS in 2020.

1) That is, we will offer ScWk 140 (a service-learning course) in the Spring semester of 2021 instead of the usual offering in the Fall semester. We are unsure of the volunteering opportunities available in the Fall that will provide the best learning experience for our students while social distancing rules are still in place.

2) Instead, we will offer ScWk 131 in the Fall semester of 2020 so that students can continue with a full-time course load in the Fall and make progress in the major.

3) These changes are reflected on page 3 under the SUGGESTED SEQUENCE OF COURSES FOR THE MAJOR IN SOCIAL WORK

4) Finally, for those seeking to Change their Major to Social Work or doing a Minor in Social Work, please see the note on pages 5 and 6 of this Bulletin.

Please note the class schedule changes in this year's BASW Bulletin are in effect only for Academic Year (AY) 2020-2021. You will likely see different information on other SJSU webpages that reflect the normal schedule of classes.

Any other changes to the curriculum and schedule will be made as necessary in keeping with guidelines and regulations from SJSU, CSU, and local, state, and national public health authorities.

Thank you for your interest in pursuing the BASW degree. We are committed to doing our best to provide a high-quality learning experience for our students. And we look forward to sharing this journey together!

University. Please contact the CHHS Student Success Center for information about Core General Education course requirements at https://www.sjsu.edu/chhs-ssc/

The SJSU Studies (formerly known as Advanced General Education) coursework must be taken in residence at San José State University, and students must pass the (WST) Writing Skills Test before they are permitted to enroll in the SJSU Studies courses. FIELD PRACTICUM

The Field Practicum provides practical, service-oriented experiences in which students can apply abstract, generalized knowledge to concrete, specific situations. Learning emerges from involvement with individuals, families, small groups, organizations and community. The BASW degree prepares its graduates for entry-level human service professional positions. Bilingual ability is highly desired by agencies seeking to hire professionals to serve the diverse populations in California.

The Field Practicum (ScWk141 and ScWk142) occurs over two semesters (FALL and SPRING) in one community agency. Field Placement Application occurs in the Spring semester prior to entry into the field. Students spend two days (16 hours) per week in the agency learning about and participating in the functions of that agency. A minimum of 480 hours (240 per semester) of agency direct practice experience is required. Experience with client groups from an ethnic group different from that of the student is desirable. Students planning to enter field practicum should have their schedule and personal affairs arranged to enable them to devote 16 hours per week for field education in a program-approved agency. A valid California driver's license and use of a vehicle is strongly recommended.

PLEASE NOTE THAT FIELD EDUCATION REQUIREMENTS ARE SUBJECT TO CHANGE DUE TO THE COVID-19 PANDEMIC. THE FIELD EDUCATION OFFICE WILL NOTIFY YOU OF CHANGES.

CHANGING YOUR MAJOR TO SOCIAL WORK

Students who want to change their major to Social Work will have to apply to the BASW Program. Please see “Admission” section on the following website for how to apply to the program: https://www.sjsu.edu/socialwork/for-students/basw-forms/index.html
