Course Description and Requisites

Supervised teaching of students with extensive support needs or early childhood special education in special and general education settings. Includes campus seminar.

Prerequisite(s): Department consent.

CR/NC/I Undergraduate

Classroom Protocols

Students are expected to arrive on time and stay for the entire seminar session, keep cell phones put away, and participate fully in seminar discussions. Zoom sessions are considered the same as in-person class sessions and students should make every effort to follow the same class protocols as they would when attending class on campus. Candidates are respectfully requested to refrain from engaging in other tasks which can detract from their learning and the learning of others during Zoom class time.

Program Information

LCOE Department of Special Education Mission
We prepare candidates to be transformative leaders in the field, and lifelong learners who respond to racism, ableism, bigotry, and prejudice in their schools and communities. To this end, we center anti-racist and anti-ableist policies and practices in our teaching, research, and service to disrupt systemic racism that has historically prevented full inclusion and equity for students with disabilities including our BIPOC (Black, Indigenous, People of Color) students, staff, and faculty. We engage culturally sustaining pedagogies and the principles of UDL in our coursework and fieldwork, partnering with our local districts to push for the success of students with disabilities in inclusive settings.

LCOE Department of Special Education Program Learning Outcomes
- PLO 1 Assess and identify the educational needs and strengths of students with disabilities from diverse socioeconomic, cultural and linguistic backgrounds.
- PLO 2 Critically evaluate pedagogy, curricula and instructional materials grounded in quality indicators of evidence-based practices for students with disabilities.
- PLO 3 Plan, design, implement, and monitor linguistically and culturally appropriate instruction that meets the unique needs of students with disabilities.
- PLO 4 Apply knowledge of the purpose, characteristics, and appropriate use of different types of assessments used for special education eligibility, placement, and service selection.
- PLO 5 Utilize research-based knowledge and theoretical, conceptual and evidence-based practices related to individuals with disabilities to improve services and instruction in the field.

Course Goals

California Commission on Teacher Credentialing
In compliance with the California Teacher Credentialing Commission students will address, examine, and/or employ techniques that will help them develop the ability to meet the following Program Standards and TPEs:

Program Standard 3 - Clinical Practice
Clinical practice is a developmental and sequential set of activities integrated with theoretical and pedagogical coursework, and must consist of a minimum of 600 hours of clinical practice across the arc of the program. At least 200 hours of supervised early field work that includes guided observations and initial student teaching (e.g., co-planning and co-teaching, or guided teaching) must be provided to the preliminary candidates in general education and special education settings prior to final student teaching.

Course Learning Outcomes (CLOs)

Course Learning Outcomes (CLO)
Upon successful completion of this course candidates will:

1. Demonstrate the ability to implement the adopted instructional program in the core academic curriculum that promotes students’ access and achievement in relation to state-adopted academic content standards and performance levels for students.
2. Demonstrate knowledge of students’ educational backgrounds including learning preferences, experiences, and family structures in planning instruction and supporting individual student learning.
3. Apply evidence-based teaching and assessment practices with students having a range of diverse learning needs
4. Demonstrate professionalism in all aspects of teaching, interacting with colleagues, and engaging with families including respecting confidentiality of student information and abiding by state laws as a mandated reporter

Course Materials

Required Texts/Readings
There is no textbook for this course.

Course Requirements and Assignments
Teacher candidates will complete the following assignments as part of this fieldwork course:

- **Attend the fieldwork placement and seminars**

  Candidates are responsible for attending the fieldwork placement every day for the full length of the placement. Attendance logs are required for student teachers and teacher residents. Student teachers and teacher residents must notify the mentor teacher and the University Supervisor as soon as possible in the event of an absence due to illness or other emergency. Intern candidates should follow district protocols for reporting an absence. Candidates are also responsible for attending each of the 10 seminars.

- **Lesson Plan Cycles [5 x 10 = 50 points]**

  Teacher candidates will complete 5 Lesson Plan Cycles consisting of Pre-Observation Planning, Lesson Implementation, Debrief with Supervisor and Mentor Teacher (if applicable), and Reflection. Teacher candidates are responsible for video recording each lesson observation. Videos will be used for discussion and reflection at the debrief session and for sharing in the supervision seminar. Formal lesson observations will be scheduled throughout the semester with the supervisor.

  - One lesson should include visual and performing arts

- **Lesson analysis presentation [2 x 10 = 20 points]**

  Each teacher candidate will complete two lesson analysis presentations in which they share a lesson video clip (3-5 minutes in length) and their lesson plan with their seminar group. Candidates will analyze their teaching and invite feedback from the group. Candidates will sign up for the sessions in which they want to present.

  - One presentation should include discussion of classroom expectations and positive behavior supports

- **IEP assignment [20 points]**

  Teacher candidates will participate in two IEP meetings over the course of the semester. Candidates will observe one IEP and complete one written IEP document which includes present levels of performance and draft IEP goals. Student teachers and teacher residents will do this under the guidance of the mentor teacher. Intern teachers will do this as part of their job assignment. Teacher candidates should administer 2-3 subtests of a formal assessment OR 2-3 informal assessments with the student in order to prepare the present levels of performance. Traditional student teachers and teacher residents must work under the mentor teacher’s guidance to complete the forms well in advance of the scheduled meeting. The University Supervisor will observe the candidate in the IEP meeting whenever possible. (Note: Student teachers and teacher residents are not permitted to log into the teacher’s account on the IEP management system.)

- **Teaching Performance Assessment [20 points]**

  Teacher candidates will complete the Cal TPA Cycle 2 this semester. This assignment is required to earn credit for this course. Candidates will submit their performance assessment to Pearson and also upload a copy into CANVAS. Interim deadlines will be posted in CANVAS for the various components of the TPA.

  Note: Candidates will not receive feedback on this assignment.

- **Final Fieldwork Evaluation**
Each teacher candidate will submit a Final Fieldwork Evaluation from the University Supervisor and from the Mentor Teacher (student teachers and teacher residents) or the principal (Interns). Interns are responsible for giving the evaluation form to the principal within the first two weeks of the semester.

- **Disposition Evaluations**

Each teacher candidate will submit a Disposition Evaluation from the University Supervisor and from the Mentor Teacher (student teachers and teacher residents) or the principal (Interns).

- **Intern Support Hours**

Interns are required to keep track of their support hours and update their logs regularly. Interns must accrue 72 hours of general support and 22.5 hours of support specific to teaching multilingual learners over the course of the semester. Support hours come from both university and district support.

✅ **Grading Information**

This course is credit / no credit. All assignments must be completed satisfactorily (80%) to earn credit in the course. In addition candidates must earn at least 100 points on the Final Fieldwork Evaluation from the University Supervisor and the Mentor Teacher, and a satisfactory Disposition Evaluation from the University Supervisor and the Mentor Teacher.

💻 **University Policies**

Per University Policy S16-9 (http://www.sjsu.edu/senate/docs/S16-9.pdf), relevant university policy concerning all courses, such as student responsibilities, academic integrity, accommodations, dropping and adding, consent for recording of class, etc. and available student services (e.g. learning assistance, counseling, and other resources) are listed on Syllabus Information web page (https://www.sjsu.edu/curriculum/courses/syllabus-info.php) (https://www.sjsu.edu/curriculum/courses/syllabus-info.php). Make sure to visit this page to review and be aware of these university policies and resources.
