Fillable PDFs are available on the university website for all SJSU intern teacher forms. It is expected that all forms will be typed for submission.

##### **1) Seminar Attendance and Participation**

The intern teacher is required to attend and participate in all intern seminars, including on campus and zoom sessions. It is expected that the intern teacher will keep their computer camera on during the entire intern teacher seminar and actively participate during that time. The intern teacher seminars include important information

related to assignments, timelines, etc., as well as current topics of interest in the field of Special Education. A make-up assignment will be required for any missed seminar.

## **2) Self-Assessment**

The intern teacher is required to complete a Self-Assessment at the beginning of the semester which identifies areas of strength, as well as areas of required growth in order to provide supports and services in areas of focus. The Self-Assessment is used to create the intern teacher's Induction Plan.

## **3) Induction Plan**

## **4) Journal Reflections**

The intern teacher is required to reflect on the activities of the week and submit a written summary by the end of the weekend. The reflection summary includes the following: what went well this week, what did not go so well this week, what is planned to make next week better, what progress was made on the Induction Plan goals, and what additional support is requested from the SJSU Supervisor.

## **9) Candidate Transition Plan**

The intern teacher is required to create and submit a Candidate Transition Plan. This document includes a formative assessment of teaching performance, areas of identified strengths, and areas for future development. It is designed to bridge the transition from the SJSU teacher preparation program to the Education Specialist Clear induction program as the intern teacher begins their teaching career.

## **10) Final Summary**

The intern teacher is required to complete a 1-2 page summary of the semester. It should include successes, challenges, and new learnings. The intern teacher may be asked to present their summary during the last seminar.

### **Teaching Effectiveness**

Each lesson will require a written lesson plan using the SJSU format or the format required by the school district. The SJSU Supervisor and the school district administrator who evaluates the intern teacher will each complete and submit a Directed Teaching Evaluation form at the end of the semester. It is the responsibility of the intern teacher to work with the school district to ensure access for the SJSU Supervisor either in person or through distance learning should unusual conditions arise.
