Course Format: Hybrid (In-Person/Zoom classes and Online Modules/Assignments)  
This course will be delivered in a hybrid format that consists of in-person classes and asynchronous online self-directed modules/assignments. Therefore, you will need access to a computer or tablet device with internet connectivity. Please read the following section, Technology Requirement for further information/assistance.  

Technology Requirements/Assistance  
- Students are required to have an electronic device (laptop, desktop, or tablet). If you do not have access to a computer with the necessary features to participate in class, please look into the free equipment loaning program (https://www.sjsu.edu/it/services/academic-tech/equipment-loaning/index.php) offered by SJSU. Computer labs for student use are available in the Academic Success Center (http://www.sjsu.edu/at/asc) located on the 1st floor of Clark Hall and in the Associated Students Lab on the 2nd floor of the Student Union. Additional computer labs may be available in your department/college. Computers are also available in the Martin Luther King Library. A wide variety of audio-visual equipment is available for student checkout from Media Services located in IRC 112.

Canvas and MYSJSU Messaging
Our course, EDSE 279, will be using San Jose State’s online learning management system, Canvas, for the current semester. Course materials such as syllabus, assignment/homework guidelines, handouts, additional reading materials, lecture recordings, etc. can be found on Canvas, EDSE 279. Please have access to the handouts on a laptop or hard copies to refer to. You are responsible for regularly checking both Canvas and your SJSU email (the one that ends with “sjsu.edu”) to learn of any updates. For Canvas support, please review the Canvas Student Resources. (https://www.sjsu.edu/ecampus/teaching-tools/canvas/student_resources/)

Course Description
Participants in EDSE 279 will learn to design learning environments that promote positive social-emotional and academic learning experiences, assess students’ behaviors, and design formal and informal positive support plans based on assessment results that support student success in school. The course meets one of the requirements for teacher candidates in all the Special Education Teaching Credential Programs as well as for those in the ITEP/SAGE Programs who are pursuing simultaneously a BA in Liberal Studies, Education Specialist Credential, and MA in Special Education.

Course Goals
This course is intended to assist students to meet the competencies specified in the CCTC Teacher Performance Expectations (TPEs) related to supporting positive behavior and classroom management as specified for the following credentials:

Universal (U): 1.1 (P), 2.1 (P), 2.3(A), 2.6 (I,P), 6.2(P)
Mild Moderate (MM): 1.7(A), 2.5(P), 2.1(I), 2.6(A), 2.7(I,P), 4.3(A)
Extensive Support Needs (ESN): 1.4(P/A), 2.8(P), 2.9(P), 2.13(P), and 4.1(P/A)
Early Childhood Special Education (ECSE): 1.6(P), 4.7(P)

Additionally, this course addresses the following program learning outcomes (PLOs):

PLO #1: Assess and identify the educational needs and strengths of students with disabilities from diverse socioeconomic, cultural and linguistic backgrounds.
PLO #4: Apply knowledge of the purpose, characteristics, and appropriate use of different types of assessments used for special education eligibility, placement, and service selection.

Course Learning Outcomes (CLOs)
Upon successful completion of this course, students will be able to:

1. Design learning environments that promote positive social-emotional and academic learning experiences for All students in both general and special education, including English Learners and Students in diverse socioeconomic environments.
2. Conduct a Functional Behavioral Assessment for a student who demonstrates challenging behaviors in a classroom.
3. Develop a Positive Behavioral Intervention Support Plan collaboratively with an educational team.
4. Demonstrate knowledge about strategies for increasing appropriate behaviors and decreasing inappropriate behaviors; critically evaluate their effectiveness and pitfalls; select appropriate, evidence-based strategies; and implement selected strategies in such a way to maximize their effectiveness in order to enhance the quality of students’ schooling and lives.

5. Demonstrate knowledge about various models and strategies for classroom management in general; critically evaluate their effectiveness and pitfalls; select appropriate, evidence-based strategies; and implement selected strategies in such a way to maximize their effectiveness in order to enhance the quality of students’ schooling and lives.

6. Plan strategies for addressing social emotional needs of students and for building social relationship among students.

7. Demonstrate knowledge about federal and state laws governing interventions for students who demonstrate challenging behaviors.

8. Identify the components and legal guidelines for the use of emergency procedures for students who demonstrate dangerous behavior.

Required Texts/Readings

Textbook: No textbook is required.

All required reading materials are provided on Canvas as well as in other designated online sources (i.e., IRIS Modules). Please refer to the Course Schedule at the end of this syllabus for specific reading requirements.

Course Requirements and Assignments

SJSU classes are designed such that in order to be successful, it is expected that students will spend a minimum of 45 hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on. More details about student workload can be found in University Policy S12-3 at http://www.sjsu.edu/senate/docs/S12-3.pdf.

This course is a hybrid class that consists of In-Person classes and Asynchronous Online self-directed modules/assignments. When attending each In-Person class, please bring handouts and reading materials posted on Canvas OR have them accessible on the computer. If you are absent, make arrangements to get notes from your peer. **You will not be able to make up any in-class activities that you miss.** All assignments must be typed, double-spaced unless otherwise specified (e.g., data sheets), turned in on time, and be free of spelling or grammatical errors. Lateness for any reason will result in the loss of 10% reduction each day the assignments are late. Please refer to the Assignment Standards for other specific requirements.

1. **Use of Canvas/Connecting with Peers** (10 pts.; 3 % of grade). U 2.6, MM 1.7, EX 1.4; CLO1.

   You are required to do this assignment in order to get familiar with Canvas and to get connected with your peers as this class is intended to model how to implement Social Emotional Learning (SEL) as part of the course goals. For Login information and other guidelines, please refer to Canvass Access on page 2 of this syllabus.

   *Post one paragraph of your self-introduction (with an optional photo) on Canvas **Discussions** and respond to at least one peer by 2/7, Tuesday, 4:00 p.m.*
2. **Class Participations (In-person & Zoom)** (80 points, 20% of grade) MM 1.7, 2.1, 2.5, 2.6, 4.3, & 6.2; EX 1.4, 2.8, 2.9, 2.13 & 4.1; ECSE 1.6 & 4.7; PLO 1, 4; CLO 2, 3, 5, & 7.

Regular and active participation is important to the structure of this class. This class models teaching practices that promote Social Emotional Learning (SEL), utilizing collaborative (cooperative) learning groups (“Tribes”). You will be invited to collaborate with your Tribe members in-class activities and to take responsibilities seriously as a Tribe member. In each In-person class, I will utilize a FLIP instruction in which I will structure the majority of the class time for clarifying/highlighting important concepts and engaging in individual/Tribe activities that will allow us to dig deeper into the content covered in the readings and online modules. Therefore, **you are required to complete readings and preview PPT slides before coming to each class (In-person).**

You will be asked to participate in a variety of activities. Your participation in these activities will be graded, with the expectation that you are fully engaged and professional. The number of in-class activities and points per class will vary. There will be no make-up for this requirement. In addition, you will be asked to participate in induvial and whole class activities as well as bring homework assignments occasionally (e.g., case studies, etc.). **You are responsible for all readings and materials presented in the course, even when absent and excused by the professor.**

- **Download and bring hard** copies of the class handouts that will be posted on Canvas. Or have them accessible on a computer if you bring your laptop. PPTs and other course-related handouts will be available in advance on Canvas, in *Modules on* EDSE 279 home page.

**4. Functional Behavior Assessment (FBA) and Positive Behavioral Interventions and Supports (PBIS)**

**Project (Report and Presentation)** (120 points, 30% of grade) U1.1; MM 1.7, 2.1, 2.5, 2.6, 2.7, & 4.3; EX 1.4, 2.8, 2.9, & 4.1; ECSE1.6 & 4.7; PLO 1 & 4; CLO 2, 3, 4, 5, 6, 7, & 8.

For this project, you have the option of choosing your own focus student or one of the case studies that I provide on Canvas. All case studies include complete datasets. This project consists of the following four components with different due dates in order to help you complete the project with ease and success (“chunking”). When submitting the paper, please include all previously submitted parts, datasheets/assessments, and other attachments if any.

- a) Summary of Baseline Data (Part #1) **(Due 3/12)**: 10 Pts.
- b) Summary of FBA Data (ABC, Communication, Ecological Analysis, & Health/Medical factors/Previous BIP), Hypothesis, and Replacement Behavior (Parts #1-7) **(Due 3/26)**: 35 Pts.
- c) Recommendations for Intervention (Parts #1-10) **(Due 4/9)**: 35 Pts.
- d) Intervention Results (Part # 11): Predict how your case study student may respond to the intervention. Project the intervention data. Provide a written summary of the intervention that you were to carry out as well as the predicted findings. Submit the entire report, including the Student Description and Parts #1-11 as well as all the assessment and intervention data. **(Due 5/7 or 5/9)**: 30 Pts.
- e) Share your project and the intervention results in Tribes on **5/2** (10 Pts.).

The format and the detailed guidelines are posted on Canvas (Refer to Assignment Guidelines in Modules), and they will be discussed in class.

**Important Notes:**

1. The sample papers on Canvas are provided in order to give you an idea about the format of the paper mainly. Thus, you are not allowed to copy any part of the sample paper to use in your paper. (Avoid plagiarism!) Use your own wordings and ideas that are specifically relevant to your case study. A zero point will be given to the entire section in which the plagiarism occurs.
2. You are welcome to revise the sections after getting my feedback for your own learning. However, your original points would not be revised in fairness to others. (No exceptions!)
Final Examination or Evaluation

In lieu of a final examination, this course will include a final culminating research project report in which you will implement your behavior intervention plan and write a final paper that includes the evaluation of the intervention, based on data, as well as sharing the intervention results with the class.

Classroom Protocol

1. Professionalism
   Professional deportment is required of all class participants. The instructor reserves the right to modify a student’s final grade for unprofessional conduct, etc.

2. Cell phone and computer use
   Cell phone and computer use not directly related to the topic at hand is disrespectful of other peers and the instructor, and it is not a behavior that you would condone in your class and I don’t in mine. Please observe the following rules, and remind each other about the rules whenever your peers inadvertently fail to follow the rules:
   i) Cell Phones must be silenced for the entire duration of the class.
   ii) Please restrict your use of computers to making notes on the course only. Reading emails and other non-task-related computer activities during the class is not allowed and will result in the loss of five participation points in each class.

Grading Policies

California Commission on Teacher Credentialing Grading Policy
The California Commission on Teacher Credentialing (CCTC) requires that students complete their credential coursework with a GPA of 3.0 or higher. Students planning on pursuing a teaching credential in ECSE should, therefore, strive to earn a grade of B or higher in all credential coursework.

Late Policy
It is part of the ethos of the Department of Special Education to prepare students for the role of special education teacher. This role requires careful attention be paid to due dates (e.g., a late IEP meeting can - and has - lead to legal action). It is, therefore, important that you practice the skills necessary to manage your time as part of your coursework.

Rather than deducting points for individual late assignments, you will be graded on your ability to manage time as a professional. This means that you will either submit assignments on time or proactively reach out to me to develop a plan to submit the assignments, in cases of emergencies that may arise that impact your ability to submit these assignments. As much as possible, please contact me BEFORE the due date to make arrangements if you will not be able to submit the assignment on time.

Departmental Incomplete Policy
It is the policy of the Department of Special Education that students must have completed 80% of the coursework assigned in order to qualify for an incomplete in the class. The final arrangements for making up the incomplete grade (i.e., the due date) will be negotiated between the student and faculty member.

California Commission on Teacher Credentialing Grading Policy
The California Commission on Teacher Credentialing (CCTC) requires that students complete their credential coursework with a GPA of 3.0 or higher.

University Policies
Per University Policy S16-9 (http://www.sjsu.edu/senate/docs/S16-9.pdf), relevant university policy concerning all courses, such as student responsibilities, academic integrity, accommodations, dropping and adding, consent for recording of class, etc. and available student services (e.g. learning assistance, counseling, and other resources) are listed on Syllabus Information web page (http://www.sjsu.edu/gup/syllabusinfo), which is hosted by the Office of Undergraduate Education. Make sure to visit this page to review and be aware of these university policies and resources.
Accommodations for Students with Disabilities
Presidential Directive 97-03 requires that students with disabilities requesting accommodations register with the Accessible Education Center (AEC) to establish a record of their disability. AEC will contact the instructor with further details, if needed. If special arrangements are needed in cases of emergency or if the building must be evacuated, please make arrangements with the instructor.

Consent for Recording of Class and Public Sharing of Instructor Material
University Policy S12-7 requires students to obtain instructor’s permission to record the course. The following criteria define expectations relating to recording a course.
- Course material developed by the instructor is the intellectual property of the instructor and cannot be shared publicly without approval. You may not publicly share or upload instructor generated material such as exam questions, lecture notes, or homework solutions without instructor consent. This prohibition includes sharing information with third parties and on websites.
- You must obtain the instructor’s permission to make audio or video recordings in class. Such permission allows the recordings to be used for your private, study purposes only. The recordings are the intellectual property of the instructor; you have not been given any rights to reproduce or distribute the material.
- Permission from the instructor, whether in writing or orally, may extend to either a single class or the entire semester.
- In classes where active participation of students or guests may be on the recording, permission of those students or guests must be obtained as well.

Counseling and Psychological Services
The SJSU Counseling and Psychological Services is located on the corner of 7th Street and San Carlos in the new Student Wellness Center, Room 300B. Professional psychologists, social workers, and counselors are available to provide confidential consultations on issues of student mental health, campus climate, or psychological and academic issues on an individual, couple, or group basis. We also offer numerous workshops for students every semester.

To schedule an appointment or learn more information, visit the Counseling and Psychological Services website at http://www.sjsu.edu/counseling
