Sonja Daniels asked about the possibility of the Student Union hosting an EDM Show again. Cathy Busalacchi noted that the Student Union has not heard too many complaints from students about this but some factors, like venue and when the acts are touring, should be considered. Hector Perea noted that finding a similar replacement of EDM is going to be tough. Mr. Perea asked if there are other campuses that have had similar problems with EDM shows or is it just San Jose State University and what did the other campuses do? Ms. Busalacchi noted that other campuses do have similar problems with EDM shows. The members of the Board continued the conversation about the pros and cons of co-sponsoring a concert with another CSU campus.

Hector Perea explained to the members of the Board that these centers are a collaborative effort from students, faculty, staff and administration to create spaces that are culturally relevant as well as promote student success. Mr. Perea noted that the blue area is going to be the Latino/Chicano center. The pink area is going to be the African American center and that the yellow area is space that is still being decided on. F. Update on ADA Report and AEDs
Cathy Busalacchi noted that the ADA Study is published. Ms. Busalacchi noted that the Student Union will need to address some findings. One of the findings pertains to the requirement that all items that protrude from the wall four (4) inches or more need to be recessed into the wall or moved to a height of eighty (80) inches or higher. Because the AEDs are required to be accessible (lower than eighty inches) and portable, all the AEDs will need to be recessed. Ms. Busalacchi noted that the Student Union is also adjusting the televisions in the Starbucks lounge area so that they are higher than the required eighty (80) inches.

Other business:
Minimum wage will go up to $10.50 per hour effective Jan 1, 2017 which will effect the budget minimally.

Ms. Busalacchi noted that the Student Union will host the Finals Fair on the first day of final exams in front of the Student Union and the Event Center with free testing materials, coffee, and treats for our students.
