Satheesh Narasiman noted that the campus should adopt the following restrictions: (1) removal of work study preference, (2) ban on students holding more than one position, (3) hiring departments should consider all student levels and majors, and (4) require student employees to re-apply for positions after two years of
employment. Mr. Narasiman believes that adopting these restrictions will allow for more opportunities for International students to work on campus. Ms. Kelly noted that the Student Union is anticipated to come in at $10,493,169 in revenues for FY2016-17 and $10,056,328 in expenses. Ms. Kelly then went on to review the proposed budget for FY 2017-18. She reviewed the various items that affect the Student Union’s budget proposal which included the increase of the 14% in the FY 2017-18 budget for wages and benefits noting that this is due to full staffing levels with a minimal salary increase, the two minimum wage increases, employment of more student assistants, and the increase of medical benefits for intermittent employees working more than 30 hours per week.
Kristin Kelly explained the overall 11.72% increase in expenses for the FY 2017-18 budget noting that this increase is due to the travel expenses increasing due to more staff attending workshops, training for the new Student Union building employees, more non-profit new Student Union event programming in the Student Union, depreciation increase due to two projects being capitalized for 12 months, and the OPEB valuation completed in June 2016 which was higher than expected and the Student Union anticipates a slight increase for FY 2017-18.
Ms. Kelly noted that the Student Union will request $7,774,169 in return of Student Fees for operations for the FY 2017-18.
