VII. Executive Director’s Report
Cathy Busalacchi gave the Board members a few highlights of what the departments have been doing. Ms. Busalacchi noted that Student Union negotiated with IATSE (International Alliance of Theatrical Stage Employees) for the Hammer Theater on behalf of the University. The reason for this is because the University cannot negotiate labor contracts with other labor unions, and since the Student Union already has an agreement with IATSE, the Student Union added an addendum to the existing contract and was able to get better union rates. Additionally, when student employees are working at the theater, those students will get hours that will apply to their union card with IATSE.
Cathy Busalacchi also noted the Student Union worked with the University and Associated Students for the Second Harvest Food Bank event for students. Due to insurance requirements, the need for a not-for-profit auxiliary to hold the contract, and because the event was going to be housed in in the Event Center, it was more efficient that the Student Union hold the contract with Second Harvest Food bank. The first food pantry event is on Monday, Oct 10th.
Cathy Busalacchi indicated The Student Union worked with Student Affairs to obtain tickets for an upcoming SJSU Sharks night for SJSU students. The tickets can be purchased through the Student Union Box Office.
Ms. Busalacchi noted that the Student Union handed out over 3,000 t-shirts in an hour and 15 minutes and handed out over 3,500 passports. The Student Union estimates that there were over 5,000 students who went through the Student Union building between 11:00am and 2:00pm that day. Cathy Busalacchi noted that evening the Student Union held a concert where there were over 3,600 students in attendance and the concert was very successful.
Cathy Busalacchi explained that in order to obtain LEED Gold certification, the student union needs to provide public LEED Education on the building. Cathy noted that the student Union has that continuously displayed on the LED television screens in the dining area in the student union East, as well as a brochure. The Student Union is working with the welcome center to have the LEED information be included in the campus tours.
Ms. Busalacchi commented that Student Union is installing TVs in the Starbucks lounge area.
Cathy Busalacchi indicated that Student Union did a review of the 403(b) Plan with Larry Van Steenhuyse from UBS. Mr. Van Steenhuyse recommended that the Student Union drop funds called legacy funds. The legacy funds were the initial funds when the Student Union joined UBS. Ms. Busalacchi explained that because the Student Union is now over the $5 million dollars invested with UBS, this gives the Student Union more access to different funds. These changes will help save money for the employees as well as allow staff access to a third party financial advisor if the employees choose to do so.
VIII. Agenda Items

1. Review and Approval of June 30, 2016 YE Audited Financials
Kim Hagens noted that there were two grammatical errors but these two changes will not affect the Student Union’s net position number listed. Rose Lee noted that the Auditors noted that they did not find any material findings or concerns. Kris Kelly noted that page 11 is a snap shot of the operating revenues and expenses. Ms. Kelly noted that operating revenues increased by $4 million dollars and this is made up of $2 million additional needed for operations and the $2.1 million needed for special projects. Ms. Kelly also noted that the utilities were up over $200,000 because of the larger facility now in operations. Ms. Kelly noted that the largest change is the depreciation which increased by $500,000 over the year prior to one million dollars due primarily to the Aquatic Center which had major projects with estimated useful life listed on the books when it was shut down. Cathy Busalacchi also noted that there was one matter having to do with the capital projects. Kris Kelly explained that this was to do with listing revenues in deferred student fees account when it should have been listed as income per GASB requirements. Ms. Busalacchi noted that this revenue will drop into the Local Reserves. Sameer Saran asked for a motion to approve the June 30, 2016 YE Audited Financials as presented. Charlie Faas moved to approve the June 30, 2016 YE Audited Financials as presented.

Rose Lee seconded the motion.
