

# Christina Edwall

Christina has ten years of public accounting experience and is currently a senior manager in the Silicon Valley office. Christina recently finished a two-year rotation in the Washington National Tax Accounting for Income Taxes group. During her time at Deloitte, Christina has provided tax services to a diverse client base including high technology, hospitality and consumer business clients. Additionally, Christina taught accounting for income taxes in the San Jose State Masters of Taxation program in 2008 and 2009.

Christina received her Bachelor of Science from California Polytechnic State University, San Luis Obispo and her Master in Taxation from the University of Denver. She is a licensed Certified Public Accountant in California and is a member of the American Institute of Certified Public Accountants. In addition, Christina serves on the Board for Moments of Happiness.
