

## Do you need “Pre-Professional Hours” for the Credentialing Program?

Andrew Hill High School offers volunteer hours in the tutoring center on our campus.

SJSU students/applicants will have an opportunity to tutor high school students in their subject area content.

We need tutors for: English, ELD, Spanish, Social Science, Science, and Math.

This is a great way to become acquainted with the rewards and challenges of being a teacher. You will quickly realize the necessity for effective teaching strategies and differentiation when working with teenagers.

Satisfy up to 20 of your Pre-Professional Hours requirement by volunteering in our tutoring center and assisting students with their educational needs.

Our current tutoring center hours are:

**M-W 2:15 – 4pm.**

This schedule is our current offering but may change based on SJSU student/applicant response.
