

First Aid Certification Course

RESPOND CONFIDENTLY DURING AN EMERGENCY

First Aid is the initial care given to someone who is injured or suddenly becomes ill before more advanced medical help arrives. This course will teach you how to respond to emergencies that happen at work, at home and in your community.

WHAT TO EXPECT

Through lecture, videos and **hands-on practice**, you will be able to respond confidently to emergency situations. Skills and topics include:

- Adult, Child and Infant* Choking
- Bleeding Control and Bandaging
- Splinting*
- Head-to-Toe Injuries
- Cold and Heat Related Emergencies
- Burns
- Sprains and Strains
- Bites and Stings
- Epinephrine Auto-Injector
- And many more!

*Optional topic
