August 30, 2010

Dear Colleagues,

Attached, please find an application to participate in the third SJSU Post Tenure Professional Renewal Development Retreat, which will be held on **Friday, October 22, 2010**. This event is supported by the ACE/Sloan Faculty Career Flexibility grant, awarded to the SJSU campus through the Office of Faculty Affairs.

We envision this retreat, and the lead-up and follow-up activities, as an opportunity for relatively seasoned faculty to reflect on their professional accomplishments, to identify new challenges, to learn from one another, to set new goals, to retool and to re-energize. We invite all tenured Associate Professors and Professors to apply. Priority will be given to those who are up for post-tenure review in AY 2010-11 or 2011-12. Participants will receive a \$500 stipend.

Key Dates: Applications due: **Monday, September 20, 2010**  
Retreat date: **Friday, October 22, 2010, 9am-3pm**

Participants must attend one pre-retreat planning meeting (Tuesday, September 28th, 2010, 10-11am or Wednesday, September 29th, 2010, 2-3pm) where materials will be distributed and where goals for the retreat will be discussed.

Faculty must also attend one individual follow-up meeting (Spring 2011).

Location: The retreat will be held at the San Jose Athletic Club.  
Planning and follow-up meetings will be held on campus.

Please contact me if you have any questions or if you need any additional information. I can be reached at [amy.strage@sjsu.edu](mailto:amy.strage@sjsu.edu).

Sincerely,

Amy Strage  
Professor, College of Education and  
ACE/Sloan Faculty-in-Residence for Faculty Career Flexibility
