Introduction
CHRS Recruiting populates many pop-up windows. The first time you access CHRS Recruiting, you may get a pop-up blocker message on multiple pages. Follow the steps in this guide to disable pop-up blockers for CHRS Recruiting (PageUp) for Chrome, Firefox, Internet Explorer and Safari.

Step-by-Step Process - Chrome

1. When blocker message appears, click the pop-up blocker icon (A)

2. You will see a message asking you to select an option

3. Select the radio button marked “Always allow pop-ups and redirects from (site name)”

4. Click Done

Please note: You may need to re-execute the action you took that produced the pop-up blocker.
Step-by-Step Process - Firefox

1. When the blocker message appears, click OK then click the Options button (A)

2. A dropdown list appears

*Please note: You may need to re-execute the action you took that produced the pop-up blocker.*
### Step-by-Step Process – Internet Explorer

1. When the pop-up message appears, look at the bottom of the screen.

2. A bar appears at the bottom of the screen.
3. Under the Options for this site drop down, select “Always allow”.

*Please note: You may need to re-execute the action you took that produced the pop-up blocker.*
### Step-by-Step Process – Safari

**1.** When the pop-up message appears click Close

Your pop-up blocker is on. Please turn the pop-up blocker off as it prevents this page from opening.

**2.** To open the pop-up window one time, click the icon in the address bar (A)

*Please note: You may need to re-execute the action you took that produced the pop-up blocker.*
3. To permanently turn off pop-up blockers for the site, navigate to the Safari menu and click Settings for This Website... (A)

4. Uncheck Enable content blockers (A)

5. Select Allow for Pop-up Windows (B)

Please note: You may need to re-execute the action you took that produced the pop-up blocker.
