I want to transfer my Fee Waiver entitlement to my spouse or dependent child as provided in my Bargaining Unit Memorandum of Understanding/Contract or by Technical Letter from the Chancellor’s Office.

I understand my spouse or dependent child must apply to a CSU and be accepted as a student through Enrollment Services before registering in Fee Waiver courses. I also understand this transfer prohibits my personal use of Fee Waiver benefits during the time my spouse or dependent child uses the benefits and that my spouse or dependent child must **meet all the conditions listed below to participate in the Fee Waiver program:**

- be accepted by the University into a degree program;
- be enrolled in course(s) that count for credit toward completion of designated degree;
- be in good academic standing (of 2.0 or better for undergraduates, GPA of 3.0 or better for graduates); and
- be enrolled in course(s) that is determined to have space available in the major (this determination will be made by Admissions or Graduate Studies offices).

My dependent is receiving Student Financial Aid **Yes** **No**

If yes, my dependent will contact the Student Financial Aid and Scholarship Office at his/her campus, as the Dependent Fee Waiver may affect Financial Aid.
