^a Check with your department for specific disbursement procedures.

^b The first check of the Spring semester may vary in amount from Fall check # 5 if there is a change in time base from Fall to Spring.

^c Late starts, docks, leaves without pay, mid-semester time base changes, sabbaticals/difference-in-pay may affect check # 1 and check # 6 for that semester.

^d An employee initially hired to teach in Fall only and then appointed to also teach in Spring will be paid following the “I am teaching Fall and Spring” as long as the Spring appointment is received by the established deadline for that semester. Otherwise, there will be a delay in pay and benefits.
