Student Employment Guide for Hiring Departments

I. Student Employment Classifications

The Student Assistant classification is intended to provide a vehicle for students to work part time while they are in school, to enable them to gain valuable experience related to their educational goals, and provide financial support.

The Student Assistant classification should not be used when a staff classification is more appropriate. While some duties may overlap with staff employees, the majority of the duties should be separate and distinct. When compared to staff positions, student positions typically have less complex responsibilities and require fewer skills, less knowledge, experience, and training. Work hours should be flexible to accommodate the academic program of the Student Assistant.

The following classification codes are Student Assistant related:

Group	Class & Title
Non-represented	1870 - Student Assistant (SA) 1871 - Student Assistant, On Campus Federal Work Study 1872 - Student Assistant, Off Campus Federal Work Study
Non-represented	1868 - Non-Citizen Status (NCS) 1869 - Resident Assistant (RA) 1874 - Bridge Student Assistant 1875 - Bridge Student Assistant, On Campus Federal Work Study 1876 - Bridge Student Assistant, Off Campus Federal Work Study
Represented (Unit 11 / Academic Student Employees)	1150 - Instructional Student Assistant (ISA) 1151 - Instructional Student Assistant, On Campus Federal Work Study 1152 - Instructional Student Assistant, Off Campus Federal Work Study 2326 - Graduate Assistant, On Campus Federal Work Study 2353 - Teaching Associate (TA), 12 Month 2354 - Teaching Associate, Academic Year 2355 - Graduate Assistant (GA)

II. Eligibility

- A student employee is considered a Student Assistant for payroll purposes if education is the predominant aspect of the individual's relationship with the campus.

- A new student accepted at SJSU for the fall semester cannot be employed during the prior summer.

B. Guidelines on Hiring a Student Assistant:

- **Recruitment/Background Check**

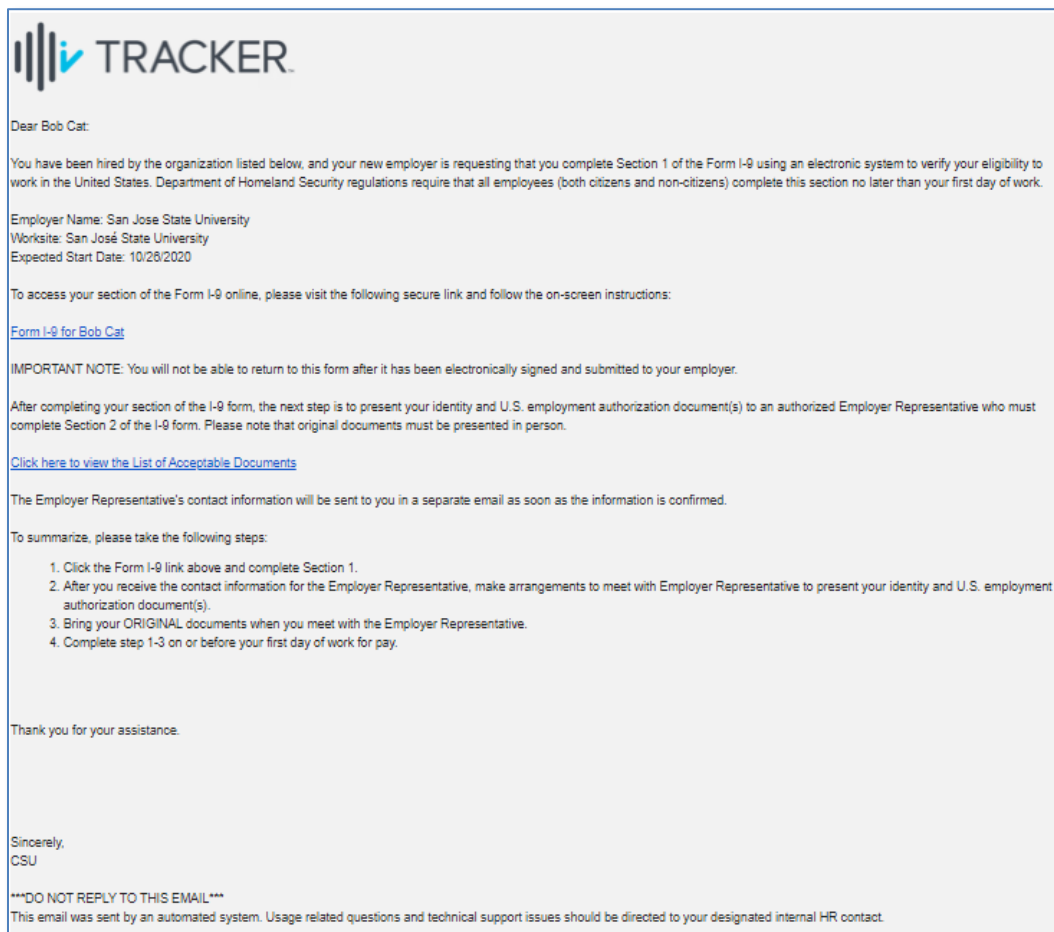

- Student Assistants in the following units/departments must undergo a background check: Athletics, Enrollment Services, Finance, Housing, Information Technology, Student Affairs, University Personnel, and any position where student will be exposed to or work in an environment handling level 1 data. When in doubt, contact your [Recruiter](#).

- Ask candidate to bring a current class schedule with them at the time of interview.
- Be careful, mindful and professional on how your interview questions are worded and when building rapport with the interviewee, as it can potentially discriminate against a protected class. For example:
 - Unacceptable interview question:** *"What accent is that? Where are you from?"*
This question potentially discriminates against the protected class of national origin.
 - Acceptable interview question:** *"Are you legally authorized to work in the United States?"*
- **Prior to Offering the Position**
 - Once selection has been made, check to ensure candidate has met the eligibility requirements. Refer to [Eligibility](#) for more detailed information.
 - If a background check is required for this position, initiate it now. If you are unsure of whether or not to conduct a background check, consult your [Recruiter](#). Proceed with the next steps **once you receive approval from UP**.
 - Assign a salary rate. Refer to the [CSU Student Assistant Salary Schedule](#) for pay range information. The initial wage rate should be commensurate with job responsibilities, requirements, experience, and department's budget.
 - San José State University is required to pay the minimum wage rate based on the city of San Jose's minimum wage ordinance.
 - Salary information for Student Assistant appointed positions (1150, 1151, 1152, 2326, 2353, 2354, 2355) can be found on the University Personnel website under [Academic Student Employees](#).

 - Complete appointment letter and give to the Student Assistant.
 - Direct Student Assistant to University Personnel to complete all applicable new hire documents. Advise Student Assistant to show UP the appointment letter.
 - University Personnel will issue the Student Assistant an Employment Verification Card which provides the department final confirmation that they are now authorized to work.
 - In order to obtain the Employment Verification Card, the Student Assistant will be required to complete the New Employee Forms and the Form I-9
 - SJSU utilizes the program Tracker I-9 to assist with completing the Form I-9. Employees should expect an email from Tracker I-9 for the instructions regarding this process. The email will come from i9complete@trackercorp.com

The Student Assistant will be contacted by University Personnel staff with instructions to present copies of identification documents.

 - The form will ask information about the Student Assistant, the position for which they are being hired, description of duties, and work categories along with uploading appropriate attachments.
 - The form goes through a workflow process. An email will be sent to the person listed as the Approver on the form for review/approval. This can be a Department Chair, MPP, or even the Admin/UP Contact completing the form.

Based on the severity of the situation and circumstances surrounding the concern, the lead/direct supervisor may need to include an appropriate administrator (i.e. Manager, Dean, AVP) and/or University Personnel to assist with the situation.
- Academic Student Employees, comprised of Instructional Student Assistants, Teaching Associates, and Graduate Assistants are covered under Unit 11 (UAW) Collective Bargaining Agreement and have their own [grievance procedure](#).
- It is best practice to facilitate the resolution of the concern/complaint in a fair, objective, and timely manner. Concerns left unaddressed rarely go away.

C. Employee Relations Best Practices to Consider

- Address problems as they arise, not after they accumulate. Deal with minor concerns before they become major problems.
- Review job responsibilities and the hiring department's expectations in an open discussion. Specify where change or improvement is necessary.
- Preserve the Student Assistant's dignity and avoid embarrassing the Student Assistant. Any discussion should occur in a private place.
- Be fair and objective. Approach the Student Assistant in a positive way. Prior to taking corrective action based on genuine evidence, the hiring department must consult with University Personnel's Employee Relations.
- Be an active listener. It may help to hear the situation explained from the Student Assistant's perspective.
- Exercise restraint and remain in control of the situation. The supervisor's purpose is to educate and change the behavior, not to punish.
- Establish a specified time period for improvement. After discussing the situation, identify a target date at which time the Student Assistant's performance will be re-evaluated. Two weeks is a reasonable length of time.
- Follow up. If the Student Assistant's performance improves, an evaluation indicating the improvement can be a big morale booster.
- For the Student Assistant who fails to improve, termination of employment may be the only solution.

D. Performance Evaluation

- Departments will need to follow Unit 11 (UAW) Collective Bargaining Agreement [Article 8, Employment Evaluation](#) for employment evaluations for Instructional Student Assistants, Teaching Associates, and Graduate Assistants.
- Reviews provide another opportunity for supervisors to give constructive feedback. Performance Evaluations for Student Assistants are not required, but strongly encouraged. The form is available for your convenience.

E. Corrective Action

- Departments will need to follow Unit 11 (UAW) Collective Bargaining Agreement, [Article 6, Discipline](#) for disciplinary actions towards Academic Student Employees, comprised of Instructional Student Assistants, Teaching Associates, and Graduate Assistants.
- It is at management's discretion to appropriately correct the Student Assistant based upon the facts and circumstances of the offense. Corrective action, whether verbally or in written form, should be done in a timely, confidential, and objective manner.
- Corrective actions may be considered progressive or, if the action is severe, a more severe action may be warranted, even if it is a first occurrence. Please consult with the Office for Equal Opportunity & Employee Relations if assistance is needed with corrective actions.
- Corrective actions may include the following:
 - Coaching and counseling
 - Verbal warning
 - Written warning
 - Final written warning
 - Involuntary termination of employment
- Violation of any San José State University policy may lead to corrective action, up to and including termination.
- Other common violations that may lead to corrective action, up to and including termination:
 - Attendance, including excessive unexcused absences, tardiness, no/call no/show
 - Job abandonment
 - Theft or lost university property and/or equipment
 - Use or possession of firearms, illegal substances, including marijuana, or alcohol while on premises or on duty
 - Failure to observe safety regulations and procedures
 - Unprofessional conduct including but not limited to disrespectful behavior and harassment, sexual or otherwise
 - Fighting, including either actual or threatened violence
 - Insubordination
 - Falsification of records
 - Unsatisfactory work performance

- The identity of the employee or applicant reporting is protected.

- Student Assistants should give their department as much advance notice as possible, either in written form or verbally. Normal practice states that Student Assistants should give at least two weeks' notice. However, this is not required.

 - For Student Assistants and Instructional Student Assistants, an Employee Profile must be submitted to the Employee Support Services Representative.
 - For Student Assistants, initiate the action to end the appointment by contacting the department's [Employee Support Services Representative](#) at least two weeks prior to the date the appointment is to end. This initial contact is to discuss the process and ensure appropriate steps are taken to end the appointment and comply with legal requirements.
 - Prepare and submit an Employee Profile to Employee Support Services in University Personnel as soon as possible. This lead-time is necessary to process the final paperwork and have the final paycheck ready for the Student Assistant on the last day of work, as required by [CSU Technical Letter HR2003-15](#).
 - ❖ In the "Comments" section of the Employee Profile, indicate the last day the Student Assistant is to work.
 - ❖ Attach a copy of the Student Attendance Sheet (not the student time card) to the Employee Profile with the final hours worked by the Student Assistant and submit it to your Employee Support Services Representative.
 - If sufficient notice is given by the Student Assistant, the final pay will be given to the Student Assistant on their last day of work.
 - If insufficient notice is given by the Student Assistant, the final pay will be ready within 72 hours after their last day.
 - For Federal Work Study students, the department must notify Employee Support Services and the Department of Financial Aid.
 - The final check can be expedited if there are special circumstances (i.e. Student Assistant leaving the country). Consult with your Payroll Representative for more information.
- **Involuntary Separation**
 - Student Assistants employed at San José State University are considered at-will, meaning the employer may terminate their employment relationship at any time and are classified as temporary employees.
 - As temporary employees, the appointment of a Student Assistant may end at any time for departmental or organizational needs, lack of work, unsatisfactory performance, or other appropriate reasons.
 - Separation Process
 - Contact University Personnel for separating procedures for Instructional Student Assistants, Teaching Associates, and Graduate Assistants.
 - Initiate the action to end the appointment by contacting the department's Employee Support Services Representative at least two weeks prior to the date the appointment is to end.
