Bargaining Unit: California State University Employees Union

## About the Position

Are you passionate about sports, like to travel and want to make a difference for an athletic department? If so, the Intercollegiate Athletics program at San José State University wants you! The [Intercollegiate Athletics](#) program is comprised of 16 NCAA teams that compete all throughout the U.S. Under supervision of the Head Athletic Trainer, the Assistant Athletic Trainer I will perform the full range of clinical athletic training functions, which involves the planning, organization and delivery of daily athletic training services to student athletes.

Responsibilities include, but are not limited to:

- Prevent, recognize, assess and treat athletic injuries.
- Consult with Head Athletic Trainer, physicians and other health professionals on injuries and treatment plans.
- Communicate with coaching staff and student athletes on status of injuries and treatment plans.
- Attend practices and athletic events to provide medical emergency coverage to student athletes and travel with teams to away competitions as needed.
- Maintain equipment and cleanliness of the athletic training and rehabilitation facilities.
- Maintain appropriate medical records of injuries, treatment plans and progress.
- Provide support to athletic training curriculum by monitoring the work of student interns/trainers.

## Qualifications

A bachelor's degree in athletic training, physical education, kinesiology or related field of study is required. Previous athletic training at the high school or college level is preferred. Must possess and maintain BOC (Board of Certification for the Athletic Trainer) certification. In addition, the incumbent is required to possess and maintain certification in CPR/AED for the Professional Rescuer and first aid.

The ideal candidate will possess the following knowledge, skills, and abilities:

- General knowledge of the principles and practices of Athletic training including conditioning and injury prevention, as well as injury assessment and rehabilitation.
- Knowledge of the full range of therapeutic modalities and their practical use and physiological basis; other therapeutic preventions and treatments such as taping, bracing, and massage; effective use of rehabilitation and exercise equipment.
- Be familiar with and adhere to rules, regulations and guidelines established by the National Collegiate Athletic Association (NCAA) pertaining to student-athletes, their training sports medicine care, health and safety.
- Knowledge of Occupational Safety and Health Administration (OSHA) standards for handling Blood Borne Pathogens.

- Strong interpersonal and communication skills to develop effective working relationships with athletes and to serve as a liaison among athletes, coaching staff, parents, physicians and other health professionals.
- Ability to recognize life threatening situations and administer the appropriate emergency aid.
- Ability to work in an environment with competing priorities.

The incumbent must be able to lift coolers of water and/or ice up to 60 lbs.

### **Required Application Material**

- Résumé
- Letter of interest
- SJSU Employment Application: [PDF version](#) [MS Word version](#)

### **Note to Applicant**

Evidence of degree(s) or certification(s) may be required at time of hire. Every applicant who reaches the final level of interviews will be required to submit their fingerprints to the Livescan Prints Service through the University's Police Department. SJSU will pay all costs associated with this procedure.

### **Equal Opportunity Statement**

SJSU is an Equal Opportunity/Affirmative Action employer committed to nondiscrimination on the basis of race, color, religion, national origin, sex, sexual orientation, gender status, marital status, pregnancy, age, disability, or covered veteran's status consistent with applicable federal and state laws. Reasonable accommodations will be provided for applicants with disabilities who self disclose.
