Classroom Protocol

Attendance: Roll will be taken most days and will factor into participation grade. Habitual absences may result in expulsion from the course.

Tardiness: Please arrive on time and stay until dismissed. This will factor into participation points.

Cell Phone: Please silence and stow cell phones during class. Phone usage during class will result in expulsion from class session and will be reflected in class participation points.

Laptop: Laptops are acceptable during class TO TAKE NOTES ONLY. Any other use will result in expulsion from the class session and will be reflected in class participation points.

Class Interaction: Please participate in classroom discussions with relevant, thoughtful, and respectful perspectives. This will be reflected in class participation points.

Assignments

There will be 15 unit assignments. They are worth 20 points each (300 points total). They will vary in format, but will primarily consist of short essay questions. All submissions will be on Canvas unless otherwise noted. Late work will be accepted for ½ credit.

Map Quizzes

There will be 5 map quizzes. They are worth 40 points each (200 points total). They will consist of properly locating geographic locations in various world regions. Make-ups will only be given under extenuating circumstances and may vary in format.

Midterm Exam

There will be one midterm exam. It will be worth 200 points (20%) of your final grade and will occur roughly ½ of the way through the semester. The format will include true/false, multiple choice, and short answer questions. The short answer questions will be distributed one week prior to the exam. Make-ups will only be given under extenuating circumstances and may vary in format.

Final Exam

The final exam is worth 20% of your final grade. It will follow the same format as the midterm exam and will not be cumulative. It will only cover the second half of the course. There are no make-ups.

Research Assignments

There will be two optional research projects. One will be due before the midterm exam and the other will be due before the final exam. These will typically require a variety of steps including (1) data gathering, (2) data visualization, (3) data interpretation, and (4) final analysis. These are designed to give students who want to push themselves further an opportunity to do so. This motivation can come from a variety of reasons including a drive to earn an excellent grade, poor performance quizzes or exams, or the desire to explore more about the content of the course or interest in the major. Late assignments will be accepted for ½ credit.

Class Participation:

Class participation is worth 100 points (10%) of your final grade will be evaluated on several criteria. These include attendance, class discussions, group work, and any other class activities.

University Policies

Per University Policy S16-9, university-wide policy information relevant to all courses, such as academic integrity, accommodations, etc. will be available on Office of Graduate and Undergraduate Programs' [Syllabus Information web page](http://www.sjsu.edu/gup/syllabusinfo/) at <http://www.sjsu.edu/gup/syllabusinfo/>
