Office Hours:	T 1:00 – 3:00 p.m.
Class Days/Time:	On-line
Classroom:	On-line, Geography 12 Richardson SJSU Canvas
GE/SJSU Studies Category:	D2

**Course Format:**

This Course is an entirely on-line course This course is an online-only course. No in-person class meetings are required. Access to a computer with a reliable Internet connection as well as a word processing program (such as MS Word) are required. The course is through Canvas learning management system. Information about Canvas, including links to log-in are here: <http://www.sjsu.edu/at/ec/canvas/>.

**Faculty Web Page and MYSJSU Messaging**

Course materials such as syllabus, handouts, and grades can be found on our Canvas website

**Course Description**

Comparative geography of our world: regions and countries, natural environments and resources, settlements and land use, cultural diversity, economic and political patterns.

**Course Goals**

Global geography is an introduction to the major distinctive world regions to more fully understand natural environments, culture, resources, agriculture, manufacturing, trade, cities, and contemporary societal challenges. In addition, this course provides a greater understanding of the increasing interdependencies among and between regions within a rapidly globalization system.

Upon successful completion of this course, students shall be able to identify and analyze the social dimension of society as a context for human life, the processes of social change and social continuity, the role of human agency in those social processes, and forces that engender social cohesion and fragmentation.

**GE Learning Outcomes (GELO)**

Upon successful completion of this course, students will be able to:

- GELO 1: *Place contemporary developments in cultural, historical, environmental, and spatial contexts;*

Students will demonstrate achievement through assigned readings, mapping exercises, essay, quizzes, and the term research project.

- GELO 2: *Identify the dynamics of ethnic, cultural, gender/sexual, age-based, class, regional, national, transnational, and global identities and the similarities, differences, linkages, and interactions between them;*

Students will demonstrate achievement through assigned readings, mapping exercises, essay, quizzes, and the term research project.

- GELO 3: *Evaluate social science information, draw on different points of view, and formulate applications appropriate to contemporary social issues; and*

Students will demonstrate achievement through assigned readings, mapping exercises, essay, quizzes, and the term research project.

- GELO 4: *Compare and contrast two or more ethnic groups, cultures, regions, nations, or social systems.*

Students will demonstrate achievement through assigned readings, mapping exercises, essay, quizzes, and the term research project.

### **Course Content Learning Outcomes**

Upon successful completion of this course, students will be able to:

CLO1: describe the physical characteristics of the world by use of regional approach.

CLO2: describe the cultural characteristics of the world by use of a regional approach.

CLO3: differentiate the economic, social, and other cultural characteristics that occurs across the world

CLO4: discuss current events as they pertain to the Global Geography

**ISBN-13:** 978-131-906-0-503

**Edition:** 7<sup>th</sup> Edition

Can be purchased through the SJSU Bookstore as an E-text, or directly through McMillan (Publisher) via our class Canvas website.

#### **Other technology requirements**

Access to a computer and reliable Internet source as well as a word processing program (such as MS Word) are required.

### **Classroom Protocol**

- All assignments are due as stated on the course schedule and late work will be penalized 5% everyday it is late.

## Course Requirements and Assignments/Quizzes

We will be covering seven chapters (Chapters 1-4 and Chapters 5, 9, & 11) in the assigned text, and you will be expected to read and understand the materials. Please remember that there is a 5% penalty per day for assignments (including quizzes) that are submitted after the deadline. Assignments/Quizzes are as follows:

1. **Chapter Quizzes** – (70% of total grade). At the end of every chapter we cover, you will be responsible for taking two quizzes of approximately 15 questions each. One will cover the reading material for the chapter, and the other will cover either a BBC documentary or a Story Map quiz depending on the chapter. Once you are done taking each quiz, you will submit it to me via Canvas for grading.
2. **Current Global Events research paper** – (15% of total grade) The research paper will consist of a minimum of 1200 words and is required for this course. It is a written document with references to be submitted through Canvas. Detailed instructions and guidelines will be posted in the Canvas online classroom.
3. **Participation** (15% of total grade) At the beginning of every chapter there will be a “Learning Curve Assignment” which you must complete.

SJSU classes are designed such that in order to be successful, it is expected that students will spend a minimum of forty-five hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on. More details about student workload can be found in University Policy S12-3 at <http://www.sjsu.edu/senate/docs/S12-3.pdf>.

## World Regional Research Paper

The World Regional Research paper research paper will be due at **11:00 p.m. on Friday, August 7. thru Canvas. It must be approximately 3-4 pages. More details will be given later in the term.**

## Final Exam

The final exam will be based on course materials from Chapter 11 of the required course textbook.

## GRADING POLICY

**\*Please remember that this course must be passed with a C or better as a CSU graduation requirement.**

### *Grade Scale*

Percent	Letter Grade	Percent	Letter Grade
95-100	A	77-79	C+
90-94	A-	74-76	C
87-89	B+	70-73	C-
84-86	B	60-69	D
80-83	B-	<60	F
