SJSU IT Work Anywhere Support for Staff, Faculty, and Students

Overview
The SJSU IT Division provides the infrastructure and systems that enable continued university operations from off-campus locations. SJSU IT is ensuring that support staff, equipment, training, and online resources are ready and easily accessible.

Preparations

● Review your equipment and your needs for working anywhere:
  ○ Laptop
  ○ Phone
  ○ Internet connectivity
  ○ resolving any issues

● Student may wish to consider:
  ○ To be able to connect to Canvas, MySJSU, My Email, SJSU Handshake etc.
  ○ Using Google GSuite for digital collaboration tools

● Staff may wish to consider:
  ○ Understanding how to use applications like Zoom, Hangouts Chat, PeopleSoft, FTS, etc.
  ○ Store it on the network or Cloud (Google Drive) Transfer documents from PC to Google Drive. It is easier when your files are all in one place and accessible from any device, anywhere in the world.
    ■ Note using Google Drive: Do not put Level 1 data (confidential or personal identifying information) on Google Drive. Staff can use level 1 supported systems (File Shared/Server/OnBase/PeopleSoft,etc). Please review Cheat Sheet: Information Classification and Handling and CSU Responsible Use Policy

● Faculty may wish to consider:
  ○ Teaching materials readily available in digital copies
  ○ Web conference tool (Zoom)
  ○ Hangouts Chat for messaging, voice, and video for communication
  ○ Leveraging Canvas (Learning Management System)
  ○ Top 5 Tips for teaching remotely
Technology and Tools Availability

The following technology and tools are available to continue business operations and services available for work anywhere.

Contact:
● Email: ecampus@sjsu.edu
● (408) 924-2337
● URL: http://www.sjsu.edu/ecampus/

Work Anywhere Requirements

● PC availability: either personal or SJSU provided
● Communication - Google Hangouts Chat, Zoom, or other prefer form of communication
● Internet - make sure existing Internet service is available
● Network access
  ○ Verify VPN access works and able to connect campus resources
● Remote teaching options
  Students and instructors hold a virtual class or review session with Zoom meeting or Webinar.
  Communication tools with students
  ■ Email -- email distribution list for your class
  ■ Use Google Hangouts Chat for instant messaging, voice and video
  ■ Use Zoom to participate in group video chat during online class sessions, host virtual office hours, collaborate remotely on research, share screens and host real-time video conversations.
